# 15 YEARS OF SOARING HIGH

CHINA SUNSINE CHEMICAL HOLDINGS LTD.

**ANNUAL REPORT 2022** 

## **Corporate Milestones**

## 1977

 Establishment of Shanxian Organic Chemical, a stateowned enterprise (SOE) which produced chemical reagents.

## 1994

 Commencement of the production of rubber accelerators.

## 1998

- Management-buyout of the SOE led by Executive Chairman, Mr Xu Chengqiu
- Renamed Shandong Shanxian Chemicals.

#### 2006

 Incorporation of China Sunsine Chemical in Singapore and preparation of the Initial Public Offering ("IPO") on the Singapore Exchange.

## 2007

- Dawn of a new era of growth with listing of China Sunsine Chemical on the Main Board of the Singapore Exchange on 5 July 2007.
- Successfully raised RMB 264.1 million from the issue of 141.7 million new shares at \$0.39 per share.

## 2008

- Successfully started commercial production of insoluble sulphur and antioxidant TMQ for sale to existing customers.
- Makes strides in waste management with upgrading of wastegas recycling and waste-water treatment facilities in line with PRC government regulations.

## 2009

- Expanded rubber accelerator production to 55,000-tonne per annum, making China Sunsine the largest rubber accelerator producer in the world.
- Annual capacity of anti-oxidants TMQ and Insoluble Sulphur increased to 10,000-tonne and 8,000-tonne respectively.

## 2010

- Production capacity for accelerators and insoluble sulphur grow to 56,500-tonne and 10,000-tonne respectively.
- Foundation for further expansion laid with acquisition of parcel of land at Weifang City, Shandong for new accelerator plants and meet future expansion requirements.
- Renamed Shandong Shanxian Chemical to Shandong Sunsine Chemical.

## 2011

 Shutdown of old facility and relocation of all personnel and equipment to new plant at Shanxian.

## 2012

 Successfully completed and tested the 15,000-tonne 6PPD plant which also produces 4ADPA, an intermediary material.

## 2013

- Incorporation of Shandong Sheng Tao Chemical and completed construction of Phase 1 of 10,000-tonne Insoluble Sulphur plant at Dingtao facility.
- Completed construction of Guangshun heating plant to provide steam supply for our own needs.

## 2016

- Financial stability reaches a new milestone as all loans are fully repaid and a healthy cash reserve is set aside to capitalise on opportunities and overcome challenges.
- Started construction of a 30,000-tonne TBBS project.
- Completed Phase 1 of a 10,000-tonne TBBS production line, and started construction of Phase 2 which will add a total of 30,00-tonne capacity.

## 2017

- Ramped up awareness and influence of our brand name in China with the listing in the First Batch of the National Champion Manufacturing Enterprises by the Ministry of Industry and Information Technology of the PRC.
- Phase 2 of 10,000-tonne insoluble sulphur project in Sheng Tao commenced production.
- Ramped up R&D efforts via a collaboration with experts from Tsinghua University and the Chinese Academy of Engineering.

## **Corporate Milestones**

## 2018

 Started commercial production for the additional 10,000-tonne capacity Insoluble Sulphur plant in Sheng Tao.

## 2019

- Commenced commercial production for Phase 1 of a TBBS project with 10,000-tonne capacity.
- Share split of every 1 ordinary share into 2 ordinary shares to increase liquidity and broaden shareholder base.
- Established Shandong Hengshun New Material Co., Ltd.

## 2020

 Commenced commercial production of Phase 2 of a 20,000-tonne TBBS capacity.

## 2021

 Completed Phase 1 of a 30,000-tonne insoluble sulphur plant at Hengshun plant.

## 2022

- Celebrated the Group's 15th anniversary of its IPO on the Singapore Exchange and declaration of a special interim dividend of 0.5 Singapore cents per share. The Group has been paying dividends every year since IPO.
- Achieved highest Group Revenue of RMB3,825.1 million, and Net Profit of RMB642.4 million since listing.
- Total capacity grew to 254,000 tonnes in 2022 from 44,000 tonnes in 2007.
- Continued to uphold strong market leadership position.
- ROE 17% in 2022.
- Completed 30,000-tonne anti-oxidant TMQ & 2,000-tonne HTMQ projects.
- Started to construct 60,000-tonne continuous production of High Quality MBT Phase I of 20,000-tonne capacity.
- Started to build Phase II of 30,000-tonne Insoluble Sulphur project at Hengshun.

## **Corporate Profile**

China Sunsine Chemical Holdings Ltd. ("China Sunsine") is a leading specialty chemical producer. It is the largest producer of rubber accelerators in the world and the largest rubber chemicals enterprise in the People's Republic of China ("PRC"). Our production facilities are located at Shanxian, Weifang and Dingtao in Shandong Province, the PRC. Our total production capacity is 254,000 tonnes per annum, comprising 117,000 tonnes of rubber accelerators, 60,000 tonnes of insoluble sulphur and 77,000 tonnes of antioxidant. We also have a centralised heating plant at Shanxian which generates steams and electricity. Our products are sold under the "Sunsine" brand (accredited as "Shandong Province Famous Brand"). Our customers are mainly the tyre companies which rely on the automobile industry. We have over 1,000 customers around the world and continue to serve more than 3/4 of the Global Top 75 tyre makers, such as Bridgestone, Michelin, Goodyear, Pirelli, Sumitomo, Yokohama, Hankook, Cooper, Kumho Tires, as well as PRC tire giants such as Hangzhou Zhongce, Sailun Tires, GITI Tire, Shanghai Double Coin Tyre etc.

As a chemical producer serving its global customers, China Sunsine continuously improves its manufacturing and environmental protection capabilities. We have achieved GB/T19001-2016/ISO9001:2015 standard for quality, GB/T24001-2016/ISO14001:2015 standard for environment, and GB/T45001-2020/ISO45001:2018 standard for occupational health and safety management system. China Sunsine's wholly-owned subsidiary, Shandong Sunsine Chemical was listed in the first batch of Champion Manufacturing Enterprise by the Ministry of Industry and Information Technology of China in January 2017.

China Sunsine was listed on the Main Board of the Singapore Exchange Securities Trading Limited (SGX-ST) on 5 July 2007.

Since our listing on the Singapore Exchange in 2007, we have steadily grown our portfolio of customers locally and abroad by providing high quality products of internationally-recognised standards. We have also expanded our production capacity to enhance our competitive advantage and further enhance our market leadership position.

## Chairman's Message

#### DEAR SHAREHOLDERS,

On behalf of the Board of Directors of China Sunsine Chemical Holdings Ltd. ("China Sunsine" or "the Company", together with its subsidiaries, collectively the "Group"), I am pleased to present the annual report for the financial year ended 31 December 2022 ("FY2022").

In 2022, amid a slow recovery from the impact of the COVID-19 pandemic, the world economy has continued to be buffeted by multiple, inter-connected crises, such as the tension in US-China relationship, Ukraine-Russia conflict, food and energy crisis, high inflation and interest rate hike etc. According to the forecast made in January 2023 by the International Monetary Fund ("IMF"), the global economy grew by 3.4% in 2022, down from 6% in 2021. In addition to the macro-economic situation mentioned earlier, China's economy was also affected by multiple outbreaks of COVID-19 cases in many cities and its strict control measures. As a result, China's GDP grew by 3% in 2022, down from 8.1% a year ago.

The operating environment throughout the year was characterized by complexity and uncertainty: the volatile international crude oil prices, which had led to the fluctuation in the prices of our raw materials; the low level of production utilisation rates among Chinese tyre manufacturers, and the intensified competition. However, with its leading position in the rubber chemical industry, as well as competitive advantages in the areas such as economies of scale, strong financial position, superior products, and capability of research and development, the Group demonstrated resilience and delivered an exceptional performance to its shareholders in 2022.

#### THE YEAR UNDER REVIEW

The Group's revenue in FY2022 increased by 3% from the financial year ended 31 December 2021 ("FY2021") to RMB 3,825.1 million. This was mainly due to the increase in average selling price by 8% as compared to that in FY2021, led by higher raw material prices. However, sales volume decreased by 5% from the preceding year to 186,153 tonnes, mainly due to weaker demand caused by the low operating utilisation rate of downstream tyre manufacturers. The Group's net profit in FY2022 soared by 27% year-on-year, reaching a historical high of RMB 642.4 million.

The Group's earnings per share for FY2022 was RMB 66.29 cents. As at 31 December 2022, its net assets per share stood at RMB 382.3 cents. Moreover, the Group's financial position was further strengthened with cash and cash equivalents amounting to RMB 1,364.9 million, and no bank loans.

#### **CAPACITY EXPANSION PLAN**

Guided by the "Higher sales volume leads to higher production, which in turn stimulates even higher sales" (also called "Sales and Production Equilibrium") strategy, and by leveraging its ready resources of land, technology and funds, the Group had orderly executed its expansion plan in order to meet the market demand for its products and continuously enlarge its market share. Set out below is an update on the progress of the expansion projects undertaken in 2022:

- 30,000-tonne per annum Anti-oxidant TMQ and 2,000-tonne HTMQ project has been completed and we have started commercial production in 1H2022.
- Phase 2 30,000-tonne per annum IS project. The entire project, which has a total capacity of 60,000 tonnes, adopts the most advanced "continuous production" process developed by our in-house R&D team. Phase 1 of the 30,000-tonne p.a. capacity was completed and put into production at the end of 2021. Phase 2 of the project with another 30,000-tonne capacity per annum, is progressing according to schedule. Management expects it to be completed by the end of 2023.
- Phase 1 20,000-tonne per annum Continuous Production of High-quality MBT project. MBT is an intermediate material for producing many kinds of accelerators. Our current MBT capacity is insufficient to meet our internal production needs. The new "MBT project" with total capacity of 60,000-tonne per annum will be built in two phases. This Phase I of 20,000-tonne capacity is expected to be completed by the end of 2023.
- Phase 2 50,000-tonne Controlled Landfill Project has been completed by the end of 2022.

With its leading position in the rubber chemical industry, as well as competitive advantages in the areas such as economies of scale, strong financial position, superior products, and capability of research and development, the Group demonstrated resilience and delivered an exceptional performance to its shareholders in 2022.

## Chairman's Message

#### 15th ANNIVERSARY OF OUR LISTING: A REFLECTION

Over more than 40 years, the Group has undergone significant changes - from its early days as a small enterprise, followed by the management buyout and subsequently, listing on the Singapore Exchange and compliance with international standards. We have witnessed great achievements, especially in the 15 years since our listing on the Mainboard of the Singapore Exchange in 2007. The Group has become the world's largest rubber accelerators producer, China's largest insoluble sulphur producer, and a major producer of anti-oxidants through its prudent organic growth and development along the journey.

We have shown our stakeholders a strong track record over the last 15 years:

- Sales revenue rose from RMB 619.5 million in 2007 to RMB 3,825.1 million in 2022, at a Compound Annual Growth Rate ("CAGR") of 12.9%
- Net profit grew from RMB 76.1 million in 2007 to RMB 642.4 million in 2022, at a CAGR of 15.3%
- Net assets increased from RMB 468.9 million to RMB 3,691.8 million in 2022, at a CAGR of 14.7%
- Continuous payment of dividends every year since our IPO

The Group's production capacity has continued to expand, reaching 254,000 tonnes in 2022, almost five times larger than that at the time of its listing. The product range has expanded from rubber accelerators products to insoluble sulphur and anti-oxidants products, providing tyre manufacturers with more comprehensive and high-quality rubber chemical products and services.

Moreover, the Group always emphasizes that innovation is the major driving force for development. Through the collaborative efforts of its internal R&D team and partnerships with professional research institutions, the Group has made remarkable

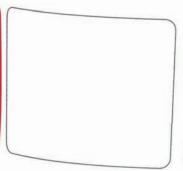

achievements in innovation and improvements in areas such as process technology, energy conservation and consumption reduction, quality improvement, safety and environmental protection. New expansion projects have all adopted the industry's most advanced "continuous, automated, and green production processes" technologies, greatly improving production efficiency and safety while also being more environmentally friendly. At the same time, the Group has also been undertaking comprehensive upgrading and transformation of its old production facilities progressively.

We are proud of the progress we have made in the past fifteen years. At the same time, we are fully aware that the road ahead is still full of difficulties and challenges, and we must prepare in advance and proceed with caution.

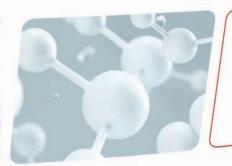

#### **OUTLOOK AND PROSPECTS**

The current global economic situation is becoming increasingly gloomy, and the dark clouds will not pass quickly in the short term. The Ukraine-Russia conflict continues to deteriorate, with the possibility of further escalation. Raw material prices continue to fluctuate, posing challenges to enterprises in their cost control abilities. Inflationary pressures are becoming increasingly elevated, further depleting people's living standards and limiting consumption levels. What is even more concerning is that competition in the rubber chemical industry has become more intense. Although the concentration and consolidation of the industry have further increased, major manufacturers have also begun to launch expansion projects in recent years, causing fierce market competition.

Currently, China's economic development is still facing three-pronged pressure from insufficient consumption from residents, lack of confidence of enterprises, and the slowing global economic growth. However, as the world gradually emerges from the COVID-19 pandemic, and under the stimulation of China's macro-economic policy of "maintaining"

economic stability and steady growth," we believe that China's economy and people's confidence will gradually recover.

According to the latest Economic Outlook report by the Organisation for Economic Co-operation and Development ("**OECD**") released on 17 March 2023, China's economic growth forecast for 2023 has been raised from the previous 4.6% to 5.3%. The OECD expects global economic growth to be 2.6% and 2.9% in 2023 and 2024, respectively, and China remains a major contributor to global economic growth.

With the market recovery, we expect the utilisation rate of tyre companies to steadily increase. According to data from the China Association of Automobile Manufacturers ("CAAM"), in 2022, sales of new cars in China saw a year-on-year increase of 2.1% and the trend is showing a steady pick-up. New Energy Vehicle sales volume has soared by 93.4%. It has become the new driving force of automobile sales. Hence, we expect the rubber chemicals industry to maintain a slight growth rate, while the export volume will be relatively higher.

As a leading rubber chemical producer, Sunsine's brand name and large-scale advantage are becoming more and more significant. The Group has developed and implemented a series of expansion plans aimed at further increasing market share and enhancing competitiveness. The Group will also continue to explore the feasibility of new projects to lay a solid foundation for long-term sustainable development. We are full of confidence in the Group's future development.

#### **PROPOSED DIVIDEND**

On 9 September 2022, the Group paid a special interim dividend of SGD 0.005 per share in celebrating the 15<sup>th</sup> anniversary of its IPO on the Singapore Exchange.

In appreciation of shareholders' long-term support, and taking into account the Group's performance for FY2022 and future expansion plans, the Board of Directors proposes a final one-tier tax-exempt dividend of SGD 0.01 per ordinary share, plus a final special dividend of SGD 0.015 per ordinary share for FY2022. This proposal will be discussed and approved at the upcoming Annual General Meeting.

#### **ACKNOWLEDGEMENTS**

Despite the challenging environment last year, the Group achieved a remarkable performance thanks to the joint efforts of the Board, management and all employees. This set of results would not have been possible without their unity of purpose, strong conviction, and excellent execution skills.

At the same time, I would like to thank our customers, business partners, suppliers, and the community for their longstanding support to the Group. Their unwavering trust in us drives us from one success to another during these testing times.

Last but not least, on behalf of the Board of Directors, I would like to express my sincere appreciation to our shareholders for their trust, understanding, and support of the Group over the years.

On the occasion of the 15th anniversary of our IPO, we not only commemorate our history and progress, but will also improve introspection and consolidate our experiences to pave the way for our long-term and sustainable development. We believe that with the joint efforts of the Group's employees, shareholders and stakeholders, our future will be even more brilliant. We will also take on more social responsibility to give back what we had obtained and benefited so much from the community. So let's forge ahead!

Executive Chairman
March 2023

## 主席致辞

凭借着在助剂行业的领先地位,以及在规模、资金、产品和研发等竞争优势,集团在2022年经受住了考验,取得了亮眼的业绩。

#### 尊敬的股东们:

我谨代表中国尚舜化工控股有限公司("**中国尚舜**",连同其子公司合称"**集团**")董事会,很高兴向大家呈上集团截至2022年12月31日的财政年度("**2022财年**")的年度报告。

2022年,虽然全球经济从新冠疫情的影响中逐渐走出来,但是仍然受到了一系列复杂的政治、经济因素的影响,如:紧张的中美关系、俄乌冲突、粮食和能源危机、高通胀和利率飙升等等。据国际货币基金组织("**IMF**") 2023年1月发出的预测,2022年全球经济增长从2021年的6%降至3.4%。中国经济由于受到国际形势的影响,再加上多发的疫情和严格的管控措施,全年GDP增长从2021年的8.1%降至3%。

我们的运营环境也更为复杂多变:国际原油价格仍在高位波动造成我们原材料价格的高位震荡、中国轮胎厂的开工率普遍不高以及橡胶助剂市场竞争进一步加剧。然而,凭借着在助剂行业的领先地位,以及在规模、资金、产品和研发等竞争优势,集团在2022年经受住了考验,取得了亮眼的业绩。

#### 年度业绩回顾

集团2022财年的营业收入同比增长了3%,至38.251亿元(人民币,下同),这主要是由于平均销售价格的提升。由于原材料成本的提高,集团的平均销售价格与前一年相比提高了8%;然而销售量则减少了5%,至186,153吨。这主要是由于下游轮胎厂商开工率低而导致需求疲弱。集团2022财年净利润同比则飙升了27%,创历史新高,达6.424亿元。

集团在2022财年的每股盈利为66.29分人民币。截至2022年12月31日,每股净资产为382.3分人民币。集团的财务状况更加稳健,净现金及银行存款达13.649亿元人民币,无任何贷款。

#### 扩产项目

集团在"以销促产,以产促销"(又称"产销平衡")策略的指导下,利用现有的土地、技术、资金等优势有序扩产,以满足市场对集团产品的需求并争取进一步扩大市场份额。2022年集团扩产项目的进展如下:

- *年产3万吨的防老剂TMQ项目和2,000吨HTMQ项目* 已完成,并已于2022年上半年开始生产。
- **二期年产30,000吨不溶硫项目**。整个项目总产能为60,000吨,采用我们内部团队研发的最先进的"连续化生产"的方法。一期30,000吨产能已经于2021年底完成并投入使用,二期年产能30,000吨的项目正在按计划进行。管理层预计该项目将于2023年底前完成。
- 一期年产20,000吨高性能连续化生产MBT项目。 MBT是生产多种促进剂的中间产品。我们目前的 MBT产能不足以满足我们内部的生产需求。新的 MBT项目总产能为6万吨,将分两期建设。一期 20,000吨产能的项目将于2023年底完成。
- *二期50,000吨的刚性填埋场项目* 已于2022年底完工。

#### 上市十五周年回顾

从最初的小企业,历经改制,到新加坡上市并与国际接轨,成为全球知名的橡胶助剂生产企业,尚舜集团在四十多年间实现了稳步的、跨越式的发展。特别是自2007年在新加坡交易所主板挂牌上市的这十五年来,集团通过稳健的扩张和发展,成为了全球最大的橡胶促进剂生产商、中国最大的不溶性硫磺生产商以及主要的防老剂生产商。

过去十五年,我们向投资者交出了一份满意的成绩单:

- 销售收入从2007年的6.195亿元增加至2022年的 38.251亿元,年复合增长率达12.9%
- 净利润从2007年的7610万元增至2022年的6.424亿元,年复合增长率达15.3%
- 净资产从2007年的4.689亿元增至2022年的 36.918亿元,年复合增长率为14.7%
- 从2007年上市起,每年派发股息

集团的产能在这十五年间也不断扩大,2022年达到了25.4万吨,比上市时扩大了近五倍。产品也从单一的橡胶促进剂产品扩展到不溶性硫磺和防老剂,为轮胎生产商提供了更加全面、优质的橡胶助剂产品和服务。

除此之外,集团强调创新是企业发展的首要推动力。在内部研发团队,以及与专业的科研机构的共同努力下,集团在工艺技术、节能降耗、提高质量、安全环保等方面的创新和改进都取得了瞩目的成绩。新产能项目都采用了行业内最先进的连续性、自动化和绿色化的生产工艺,大大提高了生产效率和更为安全和环保;同时,集团也对旧的产能进行全面升级改造。

我们对过去十五年来取得的进步感到骄傲和自豪;同时,也清楚地意识到,前面的道路仍充满艰辛和挑战,我们仍需未雨绸缪、谨慎前行。

#### 今后展望

当前全球经济形势日益严峻,下行压力难以在短期内缓解,俄乌冲突继续恶化,存在进一步升级的可能;原材料价格持续波动,对企业成本控制提出了挑战;通胀压力愈加明显,进一步掣肘了人们的生活和销费水平。更为严峻的是,橡胶助剂行业的竞争愈发激烈。虽然行业的集中度进一步提高,但是各大厂商前几年的扩产项目也开始陆续投放市场,引起了激烈的市场竞争。

目前中国的经济发展面临着居民销费能力不足、企业信心缺乏、全球经济放缓等三重压力。但随着全球逐渐走出新冠疫情的阴霾,以及中国"保经济、稳增长"宏观政策的指导下,我们相信中国的经济和人们的信心会逐渐恢复。

根据经济合作组织3月17日发布的最新一期经济展望报告,将2023年中国经济增长预期从此前的4.6%上调至5.3%。经合组织预计2023年和2024年,全球经济将分别增长2.6%和2.9%。中国仍然是全球经济增长的重要支柱。

随着市场的复苏,我们预计轮胎企业的开工率也会稳步提升。根据中国汽车工业协会("CAAM")的数据,中国2022年的新车销量比前一年增加了2.1%,正在稳步回升。而新能源汽车的销量则飙升了93.4%,是汽车销售的新驱动力。因此,我们预计助剂行业也将保持微增长,出口量的增长率则相对较高。

作为橡胶助剂行业的龙头企业,我们的尚舜品牌和规模优势越来越明显。集团制定并实施了一系列扩产计划,旨在进一步扩大市场份额,增强竞争力。集团也将继续探讨新扩产项目的可行性,为实现长期可持续发展打下坚实的基础。我们对集团今后的发展充满信心。

#### 股息建议

集团在2022年9月9日派发了0.5新分的特别股息,以庆祝集团在新交所上市十五周年。

为了回馈股东长期以来的支持,结合考虑公司本年度的盈利状况和今后的扩产计划,董事会建议在2022财年派发每股1新分的免税终期股息和每股1.5新分的终期特别股息。此建议将在来临的股东大会上讨论通过。

#### 衷心感谢

集团在去年充满挑战的大环境下取得了亮眼的成绩, 是集团董事会、管理层和所有员工们凝聚共识、坚定 信念、通力协作、踏实进取共同努力创造出的成果。

同时,我要感谢我们的客户、商业伙伴、供应商和社 会各界对集团的长期支持,他们的信赖是我们前进的 动力。

最后,我代表公司董事会,感谢股东们长期以来对集团的信任、理解和支持。

值此庆祝上市十五周年之际,我们不仅要回顾历史, 更要加强自省、总结经验,为今后更长远的发展铺平 道路。我们相信,在集团员工、股东和各利益相关方 的共同努力下,我们的明天会更加辉煌;我们也将尽 其所能,担负好企业的社会责任。让我们携手共进、 实现尚舜更大的辉煌!

## **Operations and Financial Review**

#### **OUR FINANCIAL PERFORMANCE IN FY2022**

In FY2022, due to factors such as the Ukraine-Russia conflict and higher inflation, the prices of raw materials fluctuated significantly. However, with its overall competitive advantages in the rubber chemicals industry, China Sunsine Chemical Holdings Ltd (the "Company", collectively with its subsidiaries, the "Group") was able to cope with these challenges and achieved a higher gross profit margin, resulting in an overall impressive performance in FY2022.

The Group's revenue in FY2022 increased by 3% to RMB 3,825.1 million from RMB 3,725.2 million in FY2021, mainly due to the increase in the overall average selling price ("ASP") but partially offset by lower sales volume.

Overall ASP for rubber chemicals increased by 8% to RMB 20,237 per tonne in FY2022 as compared to RMB 18,821 per tonne in FY2021. The increase in ASP was mainly due to the increase in the prices of raw materials, and the Group was able to pass on such price increase to our customers.

However, the sales volume for FY2022 decreased by 5% to 186,153 tonnes compared to the peak of 195,405 tonnes in FY2021, the second highest in history.

The Group's **sales volume** for Accelerators decreased by 12%. The main reason for this decrease was a decline in the sales volume of one of the Accelerators - TBBS. TBBS is mainly used in the production of allsteel tires, which are mainly utilised by trucks or heavy vehicles. Due to the control measures implemented by the Chinese government in 2022, the logistics and infrastructure construction markets in China were not active, which led to the lower utilisation rate in the production of all-steel tires.

As the new 30,000-tonne TMQ and 2,000-tonne HTMQ capacity were added in 1H2022, the full-year sales volume of Anti-oxidants products increased by 6%. Sales volume of IS remained consistent.

**Gross profit** increased by 11% from RMB 1,046.5 million in FY2021 to RMB 1,163.9 million in FY2022, while the Average Gross Profit Margin ("**GPM**") also increased by 2.3 percentage points from 28.1% to 30.4%, mainly due to higher ASP.

#### **ANALYSIS OF SALES AND VOLUME**

		SALES VOLUME (TONNES)			SALES (RMB' MILLION)

Hotel & Restaurant	-	_	-	1.3	1.3	_	
Total Sales				3,825.1	3,725.2	3%	

**Other income** amounted to RMB 56.3 million, consisting of mainly interest income of RMB 16.2 million, government grants of RMB 13.2 million and sales of scrap materials of RMB 27.4 million.

**Other gains, net** amounted to RMB 31.3 million, mainly consisting of foreign exchange gains arising from the appreciation of USD against RMB.

**Distribution and marketing expenses** increased by 9% to RMB 104.3 million, as compared to RMB 96.0 million in FY2021. This was mainly due to higher freight cost and port charges incurred on sales, and higher incentives payable to sales personnel.

**Administrative expenses** for FY2022 increased by 17%, from RMB 231.4 million in FY2021 to RMB 271.0 million. This was mainly due to the increase in depreciation allocated to administrative expenses as a result of more downtime during Chinese New Year 2022, instead of allocating as part of manufacturing overhead in cost of goods sold; increase in staff social insurance as a result of the increase in contribution bases; and increase in bonus and sewerage expenses.

**Research and development ("R&D") expenses** also increased by 29% to RMB 142.4 million in FY2022 from RMB 110.8 million in FY2021, mainly due to the Group having invested more into R&D activities in FY2022.

**Profit before income tax ("PBIT")** increased by 5%, from RMB 699.1 million in FY2021 to RMB 733.8 million, mainly due to higher gross profit.

For the reasons set above, **Net profit attributable to shareholders** in FY2022 increased by 27% to RMB 642.4 million from RMB 506.3 million in FY2021.

#### **FINANCIAL POSITION REVIEW**

**Property, plant and equipment ("PPE")** decreased by RMB 77.5 million from RMB 939.2 million to RMB 861.7 million, mainly due to depreciation charged, offset by additions to construction in progress ("CIP") and PPE.

**Intangible assets** increased by RMB 68.4 million from RMB 144.6 million to RMB 213.0 million, mainly due to new additions to the Land Use Rights ("**LUR**") for Hengshun plant.

**Inventories** increased by RMB 45.5 million from RMB 357.3 million to RMB 402.8 million, mainly due to the increase in the quantity of finished goods at the financial year end.

**Trade and other receivables** increased by RMB 277.2 million from RMB 1,104.9 million to RMB 1,382.1 million, mainly due to the increase in notes receivables. These notes receivables are promissory notes issued by local banks with low risks of non-recoverability. Notes receivables increased by RMB 346.1 million from RMB 184.1 million to RMB 530.2 million in line with the Group's tightening collection policy.

**Trade and other payables** decreased by RMB 244.5 million from RMB 624.4 million to RMB 379.9 million mainly due to decrease in notes payables, as the Group had sufficient notes receivables to endorse and pay its suppliers.

## **Operations and Financial Review**

#### **CASH FLOW REVIEW**

	FY2022 RMB' million	FY2021 RMB' million	Change RMB' million
Cash generated from operating activities	207.5	371.3	(163.8)
Cash used in investing activities	(140.9)	(262.5)	121.6
Cash used in financing activities	(121.6)	(52.6)	(69.0)
Net (decrease)/increase in cash and cash equivalents	(55.0)	56.1	(111.1)
Cash and cash equivalents at end of financial year per consolidated statement of cash flows	1,364.3	1,369.0	(4.7)

**Net cash generated from operating activities** decreased by RMB 163.8 million from RMB 371.3 million in FY2021 to RMB 207.5 million in FY2022 mainly due to higher inventories and trade and other receivable levels, as well as lower trade and other payable.

**Net cash used in investing activities** decreased by RMB 121.6 million from RMB 262.5 million in FY2021 to RMB 140.9 million in FY2022 mainly due to most of the payment for expansion projects having been made in FY2021, and therefore lesser cash was used for additions to PPE and CIP in FY2022.

**Net cash used in financing activities** increased by RMB 69.0 million from RMB 52.6 million in FY2021 to RMB 121.6 million in FY2022, mainly due to the acquisition of more treasury shares and payment of dividends by the Group during the financial year.

#### **EXPANSION PROJECTS**

#### 1. Phase 2 30,000-tonne per annum IS project

The entire project, which has a total capacity of 60,000 tonnes, adopts the most advanced "continuous production" method developed by our in-house team. Phase 2 of the project of another 30,000-tonne capacity per annum, is progressing according to schedule. Management expects the project to be completed by the end of 2023.

# 2. Phase 1 20,000-tonne per annum Continuous Production of High Quality MBT project

MBT is an intermediate material for producing many kinds of accelerators. Our current MBT capacity is insufficient to meet our internal production needs. The new "MBT project" will be built in two phases. This Phase 1 project of 20,000-tonne capacity is expected to be completed by the end of 2023.

#### 3. Controlled Landfill Project

Phase 2 50,000-tonne capacity Controlled Landfill Project has been completed at the end of 2022.

#### Below is a summary of our estimated Annual Capacity<sup>1</sup> at the end of each financial year:

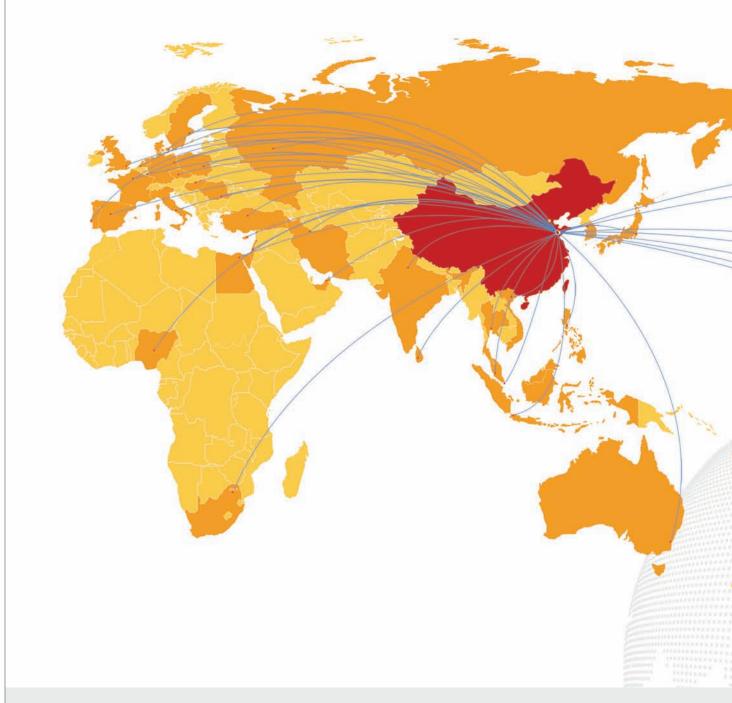

Tonnes	FY2017	FY2018	FY2019	FY2020	FY2021	FY2022	FY2023
Accelerators	87,000	87,000	97,000	117,000	117,000	117,000	117,000
Insoluble Sulphur	20,000	30,000	30,000	30,000	30,000	60,000	60,000
Anti-oxidant	45,000	45,000	45,000	45,000	45,000	77,000	77,000

#### **Meriana Ang Mei Ling**

(Appointed since financial year ended 31 December 2021)

China Sunsine Chemical Holdings Ltd. (the "Company") is committed to maintaining a high standard of corporate governance within the Company and its subsidiaries (collectively, the "Group") to ensure greater transparency and protection of shareholders' interests. The board of directors of the Company (the "Board") is pleased to confirm that the Company has complied with the principles and provisions of the Code of Corporate Governance 2018 (the "Code") and the accompanying Practice Guidance to the Code, where they are applicable and practical to the Group. Where there is any variation from the provisions of the Code, explanations on how the Group's practices are consistent with the aim and philosophy of the principle in question, have been provided within this report.

This report sets out the Company's corporate governance processes, practices and structures that were in place throughout the financial year ended 31 December 2022 ("FY2022"), with specific reference to the principles and provisions of the Code. The Board and the management of the Company (the "Management") will continue to uphold the highest standards of corporate governance within the Company in accordance with the Code.

#### (A) BOARD MATTERS

#### **The Board's Conduct of Affairs**

Principle 1: The company is headed by an effective Board which is collectively responsible and works with Management for the long-term success of the company.

Role of the Board

The Board assumes responsibility for stewardship of the Group, and puts in place a code of conduct and ethics, sets appropriate tone-from-the-top and desired organisational culture, and ensures proper accountability within the Company.

The Board's primary role is to protect and enhance long-term value and returns for shareholders. It provides entrepreneurial leadership, oversees the business and affairs of the Group, and approves the Group's financial and strategic plans, key business initiatives, major investments and divestments proposals, and funding decisions.

Additionally, the Board has direct responsibility for decision-making in respect of the following corporate events and actions:

- (a) ensure that necessary financial and human resources are in place for the Group to meet its objectives;
- (b) oversee the processes of risk management, financial reporting and compliance, and evaluate the adequacy of internal controls;
- (c) establish, together with Management, the strategies and financial objectives to be implemented by Management;
- (d) review the performance of Management, approve the nominations of the Board of Directors and appointment of key management personnel, as may be recommended by the Nominating Committee;
- (e) review and endorse the framework of remuneration for the Board and key management personnel as may be recommended by the Remuneration Committee;
- (f) assume responsibility for corporate governance; and
- (g) consider sustainability issues, e.g. environmental and social factors, as part of its strategic formulation.

The Company has adopted internal guidelines setting forth matters which require Board approval. Matters which are specifically reserved to the full Board for decision include those involving interested person transactions (such as conflict of interest issues in relation to substantial shareholders and directors of the Company), material acquisitions and disposal of assets, annual budgets, corporate or financial restructuring, share issuance and dividends, and financial results and corporate strategies.

Each Director is required to promptly disclose any conflict or potential conflict of interest, whether direct or indirect, in relation to a transaction or proposed transaction with the Group as soon as is practicable after the relevant facts have come to his/her knowledge. Where a director faces a conflict of interest issue, he/she will disclose and declare his/her conflict of interest, and recuse himself/ herself from discussions and decisions involving the issues of conflict. Each Board member makes decisions objectively and discharges his/her duties and responsibilities at all times as fiduciaries in the interests of the Group.

#### **Board and Board Committees**

To assist the Board in the execution of the Board's responsibilities, certain functions of the Board have been delegated to 3 Board committees, comprising an Audit Committee ("AC"), a Nominating Committee ("NC") and a Remuneration Committee ("RC"). Each of these committees functions within clearly defined terms of reference setting out their compositions, authorities and duties, and operating procedures (including reporting back to the Board) which are reviewed on a regular basis to ensure continued relevance and consistency with the Code. The effectiveness of each committee is also constantly being monitored.

The Board meets 4 times a year and as warranted by particular circumstances. Telephonic attendance and conference at the Board and Board committee meetings are allowed under the Constitution of the Company. In between the scheduled meetings, the Board may have informal discussions on matters requiring urgent attention, which would then be formally confirmed and approved by circulating resolutions in writing.

The number of the Board and Board committee meetings held for the period from 1 January 2022 to 31 December 2022, as well as the attendance of each member of the Board and Board committees at the respective meetings, are set out below:-

	Board	AC	NC	RC

#### Note:

On 30 March 2023, Mr Tong Yiping and Mr Liang Cheng were appointed as Executive Director, and as Independent Director, respectively of the Company.

#### Directors' Orientation and Development

The Company has an orientation program for all new Directors, and the Directors also have the opportunity to visit the Group's operating facilities in the People's Republic of China and meet with Management to gain a better understanding of the Group's business operations. Directors who are first-time directors, or who have no prior experience as directors of a listed company will undergo the Listed Entity Director Programme conducted by the Singapore Institute of Directors ("SID"), and will also undergo briefings on the roles and responsibilities as directors of a listed company.

All newly appointed Directors will receive a formal letter from the Company setting out the duties and responsibilities as a Director, along with an information pack containing the Company's annual report, Constitution, respective Board committees' terms of reference (where applicable), as well as a template director's disclosure form pertaining to his/her obligations in relation to disclosure of interests in securities and conflict of interests.

The Directors are provided with continuing education in areas such as directors' duties and responsibilities, corporate governance, changes in financial reporting standards, insider trading, as well as changes in the relevant provisions of the Companies Act 1967 of Singapore ("Companies Act") and listing rules of the Singapore Exchange Securities Trading Limited (the "SGX-ST"), so as to update and refresh them on matters that affect or may enhance their performance as Board or Board committee members. They are also informed of and are encouraged to attend relevant seminars such as those organised by the SGX-ST, SID and other external professional organisations to keep abreast of developments relevant to their roles.

#### Access to Information

To assist the Board in fulfilling its responsibilities, Management provides the Board with complete and adequate information in a timely manner prior to meetings and on an on-going basis. As a general rule, Board papers are required to be sent to the directors at least 7 days before the Board meeting so that the members may better understand the matters prior to the Board meeting and discussion may be focused on questions that the Board has about the Board papers. However, sensitive matters may be tabled at the meeting itself or discussed without any papers being distributed. Key management personnel who can provide additional insight into the matters at hand would be present at the relevant time during the Board meeting.

Management also provides the Board members with background or explanatory information relating to matters to be brought before the Board, copies of disclosure documents, budgets, forecasts, internal financial statements, together with explanations for any material variance between the projections and actual results in respect of its financial performance.

#### Access to Management and Company Secretary

The Directors have separate and independent access to the Management and the Joint Company Secretaries at all times.

At least one Joint Company Secretary attends all Board meetings. The Joint Company Secretaries are responsible for preparing minutes of Board proceedings, and are responsible to the Board for advising on corporate and administrative matters, as well as facilitating orientation and assisting with professional development as required.

The appointment and removal of the Joint Company Secretaries are subject to the approval of the Board as a whole.

The Directors, whether as a group or individually, may seek and obtain independent professional advice to assist them in the discharge of their duties, at the expense of the Company.

#### **Board Composition and Guidance**

Principle 2: The Board has an appropriate level of independence and diversity of thought and background in its composition to enable it to make decisions in the best interests of the company.

#### **Board Composition**

The Board, through the NC, examines and reviews its structure, size and composition annually, taking into account the scope and nature of the Company's operations. The nature of the directors' appointments and membership on the Board committees for FY2022 are as follows:-

Name of Divoctors	Position held on the	Board Committee Membership			
Name of Directors Board		AC	NC	RC	
Xu Cheng Qiu	Executive Chairman	_	Member	_	
Xu Jun	Executive Director	_	_	_	
Liu De Ming	Executive Director	_	_	_	
Lim Heng Chong Benny	Lead Independent Director	_	Chairman	_	
Xu Chun Hua	Independent Director	Member	Member	Chairman	
Koh Choon Kong	Independent Director	Chairman	_	Member	
Yan Tang Feng	Independent Director	Member	_	Member	

The Board has appointed Mr Tong Yiping as an Executive Director, and Mr Liang Cheng as an Independent Director of the Company on 30 March 2023. The Board presently comprises 9 directors, of whom 5 are independent non-executive directors. The present composition of the Board complies with Rule 210(5)(c) of the Listing Manual of the SGX-ST ("Listing Manual") that the Board must have at least two non-executive directors who are independent and free of any material business or financial connection with the Company, Provision 2.2 of the Code that the independent directors should make up a majority of the Board where the Executive Chairman is part of the management team and not an independent director, and with Provision 2.3 of the Code that the majority of the Board comprises non-executive directors. Given that the Independent Directors make up a majority of the Board, the Board is thus able to exercise objective judgment on corporate affairs independently.

#### **Board Diversity**

The Board recognises that board diversity is an essential element contributing to a well-functioning and effective Board, as well as the sustainable development of the Group. As such, the Board has in place a Board Diversity Policy, the objectives of which are to promote and enhance the decision-making process of the Board through the perspectives derived from the professional expertise, business experience, industry discipline, skills, knowledge, gender, age, educational background, ethnicity and culture, length of service, and other diverse qualities of the Board members. When reviewing and assessing the composition of the Board and making recommendations to the Board for the appointment of its members, the NC will consider the various aspects of board diversity, and set practical timelines to implement the policy. It will also report to the Board on an annual basis on the progress made in promoting and achieving its board diversity objectives. The Board will, on a continuing basis, review the relevant aspects of diversity of its members to ensure they serve the needs and plans of the Company and the Group.

The Board is of the view that its current structure, size and composition is appropriate for effective decision-making, provides balance and diversity of expertise, gender and knowledge of the Group's business, foster constructive debate, and avoid groupthink. The NC is also satisfied that the Board comprises directors who as a group provide core competencies such as accounting or finance, legal, business or management experience, industry knowledge, strategic planning experience and customer-based experience or knowledge, which are required for the Board to function effectively. In addition, the NC has noted that the Board comprises one female director out of a total of nine directors, in recognition of the importance and value of gender diversity. The Board also consists of

directors with ages ranging from 44 to more than 70 years old, and who have served on the Board for different tenures. The NC is of the view that no individual or small group of individuals dominates the Board's decision-making process. As such, based on the above, the Board is of the view that it has achieved its board diversity targets.

### Board Independence

The NC conducts a review annually to determine whether or not a director is independent, adopting the Code's definition of an "independent director" and guidance as to relationships, including those provided in the Code, the Listing Manual and the Practice Guidance to the Code, that are relevant in its determination. Each Independent Director is required to complete an annual declaration to confirm his/her independence, and in particular, that he/she does not have any relationship with the Company and its related corporations, its substantial shareholders or its officers that could interfere, or be reasonably perceived to interfere, with the exercise of the Director's independent business judgement in the best interest of the Group. The independent directors must also confirm whether they consider themselves independent despite not having any relationship identified in the Code.

In assessing the independence of each Independent Director for FY2022, the NC noted that Mr Lim Heng Chong Benny, Mr Koh Choon Kong and Mdm Xu Chun Hua, who are the Independent Directors of the Company, has each served on the Board for an aggregate period of more than 9 years from the respective dates of their first appointment. As such, the Board has subjected their independence to a particularly rigorous review.

The NC carried out the aforesaid review on the independence of Mr Lim Heng Chong Benny, Mr Koh Choon Kong and Mdm Xu Chun Hua in February 2023 (with Mr Lim and Mdm Xu as members of the NC abstaining from deliberation in respect of the review of his/her independence) based on their respective self-declaration of his/her relationship with the Company and its related corporations, its substantial shareholders or its officers, and his/her confirmation of independence and non-conflict of interest. In particular, the NC also took into account the actual performance of Mr Lim Heng Chong Benny, Mr Koh Choon Kong and Mdm Xu Chun Hua on the Board and Board committees, and their Individual Director Self-assessment of their contributions to the effectiveness of the Board, and was of the view that each of them has at all times exercised independent judgment in the best interests of the Company in the discharge of his/her director's duties and should therefore continue to be deemed an Independent Director, notwithstanding that they have served more than 9 years on the Board.

After due consideration and with the concurrence of the NC, the Board (with Mr Lim Heng Chong Benny, Mr Koh Choon Kong and Mdm Xu Chun Hua abstaining from the discussion and decision-making process with respect to the assessment of his/her independence) has determined that each of the Independent Directors has continued to demonstrate strong independence in character and judgment in the manner in which he/she has discharged his/her responsibilities as a director of the Company. Each of them has continued to express his/her viewpoints, debated issues, sought clarifications where necessary, objectively scrutinised and challenged Management, and ask tough strategic and operational questions. Each of the above-mentioned Independent Directors has constructively challenged Management's assumptions, helped develop proposals on strategy, and assessed performance of Management, in the best interest of the Group.

Taking into account the views of the NC and the annual confirmation from each of these Independent Directors of his/her independence, the Board considers each of these Independent Directors to be independent and will be able to exercise independent judgment in the best interest of the Company in discharging their duties as independent directors.

Previously, a director will not be independent if he has served for an aggregate period of more than nine (9) years (whether before or after listing) and his continued appointment as an Independent Director has not been sought and approved in separate resolutions by (a) all shareholders and (b) shareholders, excluding the Directors and CEO of the issuer, and associates of such Directors and CEO (the "Two-Tier Voting"). However, pursuant to Rule 210(5)(d)(iv) of the Listing Manual of the

SGX-ST and the abolition of the Two-Tier Voting (which came into effect on 11 January 2023), Mr Lim Heng Chong Benny, Mr Koh Choon Kong and Mdm Xu Chun Hua (each of whom has served as a director of the Company for an aggregate period of more than nine (9) years) will continue to be considered independent until the conclusion of the next AGM of the Company to be held for FY2023. The Company and the Board intend to use this transition period to refresh the Board by appointing new directors to replace Mr Lim, Mr Koh and Mdm Xu as independent directors of the Company no later than the AGM for FY2023.

Led by the Lead Independent Director, the Independent Directors meet regularly without the presence of Management to discuss matters such as the changes that they would like to see in the Board processes, corporate governance initiatives, and matters which they wish to discuss during the Board meetings. After such meetings, the Lead Independent Director will provide feedback to the Executive Chairman and the Board. During FY2022, the Independent Non-Executive Directors met regularly without the presence of Management.

### **Chairman and Chief Executive Officer**

Principle 3: There is a clear division of responsibilities between the leadership of the Board and Management, and no one individual has unfettered powers of decision-making.

Roles of Executive Chairman and CEO

Currently, the Executive Chairman of the Company is Mr Xu Cheng Qiu. Mr Xu is the founder of the Group and plays a key role in developing the business of the Group and provides the Group with strong leadership and vision. He is responsible for the overall strategic planning and growth of the Group. He also exercises control over the quality, quantity and timeliness of information flow between the Board and Management.

As Executive Chairman of the Board, Mr Xu bears responsibility for the effective working of the Board. He is responsible for, amongst others, ensuring that Board meetings are held when necessary, setting the Board meeting agendas to enable the Board to carry out its duties effectively and responsibly, taking a leading role to ensure and maintain a high standard of corporate governance, acting as a facilitator at Board meetings and maintaining regular dialogue with Management on all operational matters.

There is no CEO of the Company appointed following the retirement of the former CEO. Mr Xu assumed the role of CEO to oversee the whole Group's operations, in addition to his role as Executive Chairman of the Company.

Role of Lead Independent Director

In line with the recommendations in the Code, Mr Lim Heng Chong Benny has been appointed as the Lead Independent Director of the Company to lead and coordinate the activities of the independent directors and to address the concerns, if any, of the Company's shareholders for which contact through the normal channels of communication with the Chairman or Management are inappropriate or inadequate.

### **Board Membership**

Principle 4: The Board has a formal and transparent process for the appointment and reappointment of directors, taking into account the need for progressive renewal of the Board.

The Company has established a NC to, *inter alia*, make recommendations to the Board on all Board appointments. The NC currently comprises the following independent directors, with the Lead Independent Director being the Chairman of the NC:

Lim Heng Chong Benny – Chairman Xu Cheng Qiu – Member Xu Chun Hua – Member

The role of the NC is to establish a formal and transparent process for the appointment of new directors and the re-appointment of directors retiring by rotation, as well as to assess the effectiveness of the Board and the overall contribution of each director towards the effectiveness of the Board.

The principal functions of the NC include the following:

- (a) to make recommendations to the Board on all Board appointments, and re-appointment of directors or alternate directors (if any), having regard to that director's contribution and performance (such as attendance, preparedness, participation and candour) where applicable;
- (b) to review the independence of the directors annually;
- (c) to decide whether the director is able to and has been adequately carrying out his duties as director, in particular, where a director has multiple board representations;
- (d) to review and make recommendations to the Board on all candidates nominated (whether by the Board, shareholders or otherwise) for appointment to the Board, taking into account the candidate's track record, age, experience, capabilities and other relevant factors;
- (e) to identify and nominate candidates for the approval of the Board to fill vacancies in the Board as and when they arise;
- (f) to review succession plans for directors, in particular, the appointment and/or replacement of the Executive Chairman, the CEO and key management personnel according to different time horizons so as to identify competencies needed for the Group's long-term strategy and objectives;
- (g) to review and make recommendations to the Board regarding the orderly replacement of Board members and key management personnel in the medium term, where necessary, as well as contingency planning and preparedness against sudden and unforeseen changes or circumstances;
- (h) to make recommendations to the Board relating to the review of training and professional development programs for the Board and its directors;
- (i) to decide how the Board's performance may be evaluated and propose objective performance criteria for the Board's approval; and
- (j) to assess the effectiveness of the Board as a whole, and the contribution by each director to the effectiveness of the Board.

The NC has conducted an annual review of Directors' independence for FY2022 based on the Code's criteria for independence and is of the view that Mr Lim Heng Chong Benny, Mr Koh Choon Kong, Mdm Xu Chun Hua and Mr Yan Tang Feng are independent. More details of the Board and NC's determination of the independence of the Independent Directors are set out under Principle 2 of this report in the section headed "Board Independence".

Other Principal Commitments and Board Representations

The NC determines annually whether a director with multiple board representations is able to and has been adequately carrying out his duties as a director of the Company. The NC has taken into account the respective director's actual conduct and effectiveness on the Board, and the time and attention given by each of them to the affairs of the Company, in making this determination, and is satisfied that all the directors having multiple board representations have been able to and have adequately carried out their duties as director.

The Board has also adopted an internal guideline that each director should hold not more than 5 listed company board representations to address competing time commitments when directors serve on multiple boards. The NC believes a director's commitment and contributions to the Company, and his/her attendance at and contributions during Board and Board committee meetings are relevant factors to be taken into consideration in assessing whether a director has adequately discharged his duties.

The following key information regarding all directors is set out in the following pages of this Annual Report:

- (a) pages 22 to 26 Academic and professional qualifications;
- (b) page 54 Key information (including each of the Director's board representations on other listed companies and other principal commitments (if any)); and
- (c) pages 55, 56 and Shareholding in the Company and its related corporations.

The Company currently has no alternate directors on its Board. The Board is of the view that the appointment of alternate directors should only be appointed for limited periods in exceptional cases such as when a director has a medical emergency. An alternate director, when appointed, should be subject to the same criteria and process for selection of directors, and be appropriately qualified.

The NC has in place a formal process for the selection and appointment of new directors, and re-appointment of directors to increase transparency of the nominating process in identifying and evaluating nominees or candidates for appointment or re-appointment, as well as to advance the Company's objective of promoting board diversity.

Process for selection of new directors

The NC has recommended, and the Board has approved, a formal process for the selection of new directors as follows:

- (a) The NC evaluates the balance of skills, knowledge and experience on the Board and, in the light of such evaluation and in consultation with Management, prepares a description of the role and the essential and desirable competencies for a particular appointment;
- (b) Directors and Management may suggest suitable potential candidates. If necessary, the NC may enlist external help (for example, from the SID, search consultants, advertisements) to source for potential candidates;

- (c) The NC assesses suitability of short-listed candidates, meets and discusses with them, if necessary, to ensure that the candidate(s) are aware of the expectations and the level of commitment required; and
- (d) The NC makes recommendations to the Board for approval.

### Criteria for appointment of new directors

All new appointments are subject to the recommendation of the NC based on, *inter alia*, the following objective criteria:

- (a) Integrity;
- (b) Independent mindedness;
- (c) Possess core competencies which meet the current needs of the Company and complement the skills and competencies of the existing directors on the Board;
- (d) Able to commit time and effort to carry out duties and responsibilities effectively;
- (e) Experience in the relevant field of business of the Company or industries in which it operates; and
- (f) Financially literate.

### *Process for re-appointment of directors*

Pursuant to Rule 720(5) of the Listing Manual and the Company's Constitution, all directors must submit themselves for re-nomination and re-appointment at least once every 3 years. Under the Company's existing Constitution, one-third of the directors (except for the managing director, if any) for the time being (or if their number is not a multiple of 3, the number nearest to but not less than one-third) shall retire from office by rotation at each AGM of the Company. In addition, a newly appointed director must also submit himself or herself for re-election at the AGM immediately following his or her appointment.

#### Other considerations

Apart from the above-stated formal process for the selection and appointment of new directors, as well as re-appointment of directors, the NC and the Board will also take into consideration whether a candidate or director had previously served on the board of a company with an adverse track record or with a history of irregularities or is or was under investigation by regulators, and seek clarity on the candidate or director's involvement therein. The Board and NC will also assess whether a director's resignation from the board of any such company casts any doubt on the director's qualification and ability to act as a director of the Company.

Mr Koh Choon Kong, who is an Independent Director of the Company, is retiring by rotation and seeking re-election at the forthcoming AGM of the Company. Mr Koh Choon Kong was an independent director and a member of the audit committee of Oriental Group Ltd, and was amongst the parties issued a reprimand by SGX on 29 June 2018, including Oriental Group Ltd and its former board of directors and former audit committee members.

The NC and the Board at the time (with Mr Koh abstaining from the deliberation process) had carefully considered the matters giving rise to the reprimand, and had fully addressed the issue of Mr Koh's suitability to continue as an Independent Director and Chairman of the Audit Committee of the Company (amongst other Board committee appointments) when the matter arose in 2018. The Company's reasons for the continued appointment of Mr Koh Choon Kong were set out in its announcements dated 5 July 2018 and 22 April 2021. The current NC and Board (excluding Mr Koh) also continue to have full confidence in Mr Koh's integrity, professionalism and ability to discharge his duties as a director of the Company.

Re-election of Directors at the forthcoming AGM

At the forthcoming AGM, Mr Lim Heng Chong Benny, Mr Koh Choon Kong and Mdm Xu Chun Hua are due for retirement by rotation under Regulation 104(2) of the Constitution of the Company, and they had submitted themselves for re-nomination and re-election. Mr Tong Yiping and Mr Liang Cheng, who were appointed as an Executive Director and as an Independent Director, respectively on 30 March 2023, will cease to hold office at the forthcoming AGM in accordance with Regulation 114 of the Company's Constitution, and each of them has offered himself for re-election at the forthcoming AGM. The NC (save for Mr Lim Heng Chong Benny and Mdm Xu Chun Hua who had abstained from the deliberation process in respect of his/her own nomination and assessment) has reviewed and recommended the re-election of Mr Lim Heng Chong Benny, Mr Koh Choon Kong, Mdm Xu Chun Hua, Mr Tong Yiping and Mr Liang Cheng (collectively, the "Retiring Directors") as Directors of the Company.

Each of Mr Lim Heng Chong Benny, Mr Koh Choon Kong, Mdm Xu Chun Hua and Mr Liang Cheng has no relationship, whether familial, business, financial, employment or otherwise, with the Company, its related corporations, substantial shareholders, or any officers, which could interfere or be perceived to interfere with his/her independent judgment.

The Board (save for the Retiring Directors who had abstained from the deliberation process in respect of their own re-election) has accepted the NC's recommendation and proposes that the Retiring Directors be re-elected at the forthcoming AGM.

Please refer to the explanatory notes to the Notice of the AGM dated 12 April 2023 and pages 120 to 126 of this Annual Report for the additional information in respect of the Retiring Directors seeking re-election at the forthcoming AGM pursuant to Rule 720(6) of the Listing Manual read with Appendix 7.4.1 of the Listing Manual.

### **Board Performance**

Principle 5: The Board undertakes a formal annual assessment of its effectiveness as a whole, and that of each of its board committees and individual directors.

The Board has implemented a formal process for assessing the effectiveness of the Board as a whole and the Board committees, as well as the contribution by each director to the effectiveness of the Board.

The assessment of the Board and the Board committees provided an opportunity to obtain constructive feedback from each director on whether the Board's procedures and processes allowed him/her to discharge his/her duties effectively and the changes that should be made to enhance the effectiveness of the Board as a whole.

The individual director's assessment exercise allowed each director to reflect upon his/her own performance on the Board and Board committees so that the overall quality of the board members may be improved upon and enhanced. It also assisted the NC in determining whether to renominate directors who are due for retirement by rotation at the next AGM, and in determining whether directors with multiple board representations are nevertheless able to and have adequately discharged their duties as directors of the Company. More details of the Board and NC's assessment and determination exercise are set out under Principle 4 of this report in the sections headed "Other Principal Commitments and Board Representation" and "Re-appointment of Directors".

The NC determines how the Board and Board committees' performance may be evaluated and proposes objective performance criteria. Such performance criteria is approved by the Board and addresses how the Board and Board committees have enhanced long-term shareholders' value.

### **Evaluation processes**

### (a) Board and Board committees

For FY2022, each Board member is required to complete a Board and Board Committees Assessment Checklist ("**Checklist**"). Based on the returns from each of the directors, the Chairman of the NC prepares a consolidated report and thereafter presents the report to the Board for discussion on the changes which should be made to help the Board and Board committees discharge their respective duties more effectively.

### (b) Individual directors

In the case of the assessment of individual directors, each director is required to complete an individual director's assessment form by way of a self-assessment of his/her contribution to the effectiveness of the Board and Board committees for FY2022. Based on the returns from each of the directors, the Chairman of the NC prepares a consolidated report and thereafter presents the report to the Board. The Chairman of the Board then provides the necessary feedback on the respective Board and Board committee performance of each director, with a view to improving their respective performance on the Board and the Board committees.

### Performance criteria

The performance criteria for the Board evaluation are in respect of the Board size, composition and independence, conduct of meetings, corporate strategy and planning, risk management and internal control, Board performance in relation to discharging its principal functions, Board committee performance in relation to discharging their responsibilities set out in their respective terms of reference, achievement of financial targets which includes return on equity, improvement of performance of the Company's share price vis-à-vis the Singapore Straits Times Index, recruitment policy, process for determining remuneration and compensation of directors and key management personnel, financial reporting, and communication with shareholders.

The individual director's performance criteria are categorised into (1) attendance at Board and Board committees, and related activities, (2) adequacy of preparation for Board and Board committee meetings, (3) contribution in strategic/business decision, finance/accounting, risk management, legal/regulatory, human resource management, or any other specialist area of each director, (4) area of experience, (5) generation of constructive debate, (6) maintenance of independence, (7) disclosure of related party transactions, and (8) overall assessment.

### (B) REMUNERATION MATTERS

### **Procedures for Developing Remuneration Policies**

Principle 6: The Board has a formal and transparent procedure for developing policies on director and executive remuneration, and for fixing the remuneration packages of individual directors and key management personnel. No director is involved in deciding his or her own remuneration.

Composition and Role of the RC

The RC currently comprises entirely independent directors as follows:

Xu Chun Hua – Chairman Koh Choon Kong – Member Yan Tang Feng – Member

The RC is responsible for ensuring a formal and transparent procedure for developing policy on executive remuneration and for fixing the remuneration packages of each individual director, the CEO and key management personnel (who are not directors or the CEO).

The principal functions of the RC include the following:

- (a) to review and recommend to the Board for endorsement a framework of remuneration for the Board and key management personnel, and the specific remuneration packages for each director as well as for the key management personnel of the Company. The framework will cover all aspects of remuneration, including without limitation, directors' fees, salaries, allowances, bonuses, options, share-based incentives, benefits-in-kind, and termination terms to ensure they are fair;
- (b) to review the remuneration packages of all managerial staff who are related to any of the executive directors;
- (c) to review and approve the annual increments and/or variable bonus to be granted to the executive directors and key management personnel of the Company;
- (d) in the case of directors' service agreements, to consider what compensation or commitments the directors' service agreements, if any, would entail in the event of early termination; and
- (e) to recommend to the Board, in consultation with senior management and the Executive Chairman, any long-term incentive scheme (including share schemes) and to consider the eligibility of directors for benefits under such long-term incentive schemes.

The recommendations of the RC would be submitted to the Board for endorsement. Each member of the RC will refrain from voting on any resolution in respect of the assessment of his/her remuneration. No director will be involved in determining his/her own remuneration.

The RC has access to expert advice in the field of executive remuneration outside the Company with regards to remuneration matters wherever necessary. The RC should ensure that existing relationships, if any, between any of its directors or the Company and its appointed remuneration consultants, will not affect the independence and objectivity of the remuneration consultants. In FY2022, the Company did not seek any expert advice outside the Company on remuneration of its Directors.

#### **Level and Mix of Remuneration**

Principle 7: The level and structure of remuneration of the Board and key management personnel are appropriate and proportionate to the sustained performance and value creation of the company, taking into account the strategic objectives of the company.

The RC assists the Board by ensuring that remuneration policies and practices are sound in that they are able to attract, retain and motivate without being excessive, and thereby maximise shareholders' value. The RC reviews and recommends to the Board the remuneration package, determines the overall annual increment and bonus for each of the Executive Directors and key management personnel, and ensures that they are appropriate and proportionate to the sustained performance and value creation of the Group.

In setting remuneration packages, the RC takes into consideration the pay and employment conditions within the industry and in comparable companies, as well as the costs of living in the cities in which the Company operates. As part of its review, the RC ensures that the performance related elements of remuneration form a significant and appropriate part of the total remuneration package of executive directors and key management personnel, and is designed to align the directors' and key management personnel's interests with those of shareholders and link rewards to corporate and individual performance, taking into account industry benchmarks.

The RC also reviews all matters concerning the remuneration of independent directors by ensuring that the remuneration is commensurate with the level of contribution, taking into account factors such as effort and time, and responsibilities of these directors. The Company will submit the quantum of directors' fees of each year to the shareholders for approval at each AGM.

Only the executive directors have entered into service agreements with the Company, which are for a fixed appointment period. The RC reviews and recommends to the Board what compensation commitments the executive directors' service agreements would entail in the event of early termination, and aims to be fair and avoid rewarding inadequate performance. The terms of the executive directors' service agreements were approved by the Board.

Pursuant to the terms thereof, the service agreements may be terminated by either party giving not less than six (6) months' notice in writing. Each of the key management personnel were issued a letter of appointment, the terms of which were reviewed by the RC, and approved by the Board. The RC is satisfied that the termination clauses set out in the service agreements and the letters of appointment are fair and reasonable to the parties, and are not overly generous.

The Company has not adopted the use of contractual provisions to allow the Company to reclaim incentive components of remuneration from its Executive Directors and key management personnel in exceptional circumstances of misstatement of financial results, or of misconduct resulting in financial loss to the Group. The Company will review the feasibility of having such contractual provisions in future renewals of service agreements and/or employment contracts of its Executive Directors and key management personnel as recommended by the Practice Guidance.

### **Disclosure on Remuneration**

Principle 8: The company is transparent on its remuneration policies, level and mix of remuneration, and the procedure for setting remuneration, and the relationships between remuneration, performance and value creation.

Policy in respect of independent directors' remuneration

The independent directors do not enter into service agreements with the Company. They are paid directors' fees, the amount of which is dependent on their level of responsibilities. Each independent director is paid a basic fee. In addition, independent directors who perform additional services through Board committees are paid an additional fee for such services. The Lead Independent

Director and the Chairman of each Board committee are paid a higher fee as compared to members of the committee in view of the greater responsibility carried by that office. The amount of directors' fees payable to independent directors is subject to shareholders' approval at the Company's AGM.

Remuneration policy in respect of executive directors and other key management personnel

The Company advocates a performance-based remuneration system that is flexible and responsive to the market and the performance of the Company and the individual employee. This allows the Company to better align executive compensation with shareholders' value creation. The total remuneration mix comprises annual fixed cash and annual performance incentive. The annual fixed cash component comprises the annual basic salary plus any other fixed allowances. The annual performance incentive is tied to the performance of the Company and the individual employee.

For the purpose of assessing the performance of Executive Directors and other key management personnel, key performance targets are clearly set out at the beginning of each financial year. These targets include, where applicable, revenue, gross profit margin, net profit after tax, return on shareholders' equity, total shareholders return (i.e. dividend plus share price movement over the year), and safety production and environmental protection related targets.

#### Disclosure on Remuneration

The level and mix of each of the directors' remuneration, and that of each of the key management personnel (who are not also directors or the CEO) for FY2022, are set out as follows:

Name of Directors	Salary	Bonus	Director's fees	Other benefits	Total Rem	uneration

Ma Yue Bin	23	75	2	100
Zhang Song	24	73	3	100
Xu Chi	28	67	5	100

Note:

The Company has not disclosed the exact amount of the remuneration of its key management personnel as it is not in the best interests of the Company and the employees to disclose such details due to the sensitive nature of such information. The aggregate remuneration paid to key management personnel (who are not Directors or the CEO) in FY2022 is \$\$641,000.

There was no employee of the Company or its subsidiaries who is a substantial shareholder, or an immediate family member of any director or a substantial shareholder of the Company and whose remuneration exceeded S\$100,000 for FY2022. "Immediate family member" means the spouse, child, adopted child, step-child, brother, sister or parent.

The Company has no share option plans for FY2022. Accordingly, no share option has been granted to the above directors or key management personnel. The Company may consider to have such a scheme to align the interests of key executives with that of shareholders, improving performance and achieving sustainable growth for the Company.

There are no termination, retirement and post-employment benefits that may be granted to directors or the top five key management personnel (who are not directors or the CEO).

### (C) ACCOUNTABILITY AND AUDIT

### **Risk Management and Internal Controls**

Principle 9: The Board is responsible for the governance of risk and ensures that Management maintains a sound system of risk management and internal controls, to safeguard the interests of the company and its shareholders.

### Risk Governance Structure

The Board is overall responsible for the governance of risk. The Board oversees the Group's risk management framework and policies, reviews the Group's business, financial and operational risks, and formulates strategies and measures to manage and mitigate these risks with the assistance of internal and external auditors.

The Board ensures that Management reviews and seeks to identify areas of significant business risks on an ongoing basis, and takes appropriate measures to control and mitigate such risks. Management also reviews all significant control policies and procedures and highlights all significant matters to the Board. The Board oversees Management in the design, implementation and monitoring of the risk management and internal control systems of the Group, to safeguard the interests of the Company and its shareholders.

### Enterprise Risk Management

The Company has set up a Risk Management Advisory Committee ("RMAC") to oversee the Group's risk management framework and policies, review the Group's business, financial and operational risks, and to advise the Board on strategies and measures to manage and mitigate these risks. The RMAC is headed by the Executive Chairman of the Company, together with 6 executives (including two directors), whose names are set out below:

Xu Cheng Qiu - Chairman
Liu De Ming - Member
Tong Yiping - Member
Ma Yue Bin - Member
Wang Bao Li - Member
Liu Kun - Member
Zheng Huai Yu - Member

In order to ensure and maintain a sound system of risk management and internal controls to safeguard shareholders' interests and the Company's assets, an Enterprise Risk Management ("ERM") programme was developed with the assistance of the Company's previous internal auditor, Messrs MS Risk Management Pte Ltd, and has been implemented to identify, prioritise, assess, manage and monitor key risks faced by the Group. In 2015, the Company appointed a new internal auditor, Messrs Baker Tilly Consultancy (Singapore) Pte. Ltd., which refreshed the ERM programme to identify new risks, if any. In 2019, the Company undertook a fresh round of review of its ERM programme with the assistance of a new ERM consultant, Messrs BDO LLP. The risk management system covers, inter alia, financial, operational, compliance and information technology controls of the Group. The key risks identified are deliberated by Management, and reported to the RMAC, which is responsible for the effective implementation of risk management strategy, policies and processes within the framework of the ERM programme. The RMAC will also follow up on the actions required to be taken by Management to mitigate such identified risks. The RMAC also reviews the adequacy and effectiveness of the ERM programme periodically, and reports its findings to the AC and the Board at least once a year or as and when new significant risks are identified.

### Internal Control and Risk Management Systems

To ensure that its internal control and risk management systems are adequate and effective, the Company has also requested its internal auditor to take such identified risks into consideration in drawing up the annual internal audit plan. The Company's internal auditor also assists the Company to conduct an annual review of the adequacy and effectiveness of the Company's internal controls. The external auditor, during the conduct of their normal audit procedures, may also report on matters relating to internal controls. Any material non-compliance or failures in internal control, and recommendations for improvements, are reported to the AC. The AC also reviews the effectiveness of the actions taken by Management on the recommendations made by the internal and external auditors in this respect, and holds regular discussions with Management to ensure the timely and proper implementation of such recommendations. Based on the reports submitted by the internal and external auditors received by the AC and the Board, nothing material has come to the attention of the AC and the Board to cause the AC and the Board to believe that the internal control and risk management processes of the Group are inadequate or ineffective, or there are non-compliance of the Company's system of internal control and processes.

Based on the internal control and risk management systems established and maintained by the Group, the work conducted by the internal and external auditors as set out in their respective reports, the review by the AC of the implementation of the recommendations of the internal and external auditors as aforesaid, and the report of the RMAC to the Board, the Board, with the concurrence of AC, is of the opinion that the system of internal control and risk management procedures maintained by Management are adequate and effective to meet the needs of the Company in addressing the financial, operational, compliance and information technology risks to the Company and the Group as at 31 December 2022.

The Board has also received a letter of assurance from the Executive Chairman and the CFO confirming, *inter alia*, that:

- (a) the financial records of the Company have been properly maintained, and the financial statements give a true and fair view of the Company's operations and finances; and
- (b) the Company's risk management and internal control systems are adequate and effective.

The Board notes that no system of internal controls can provide absolute assurance against or eliminate the occurrence of material errors, poor judgment in decision-making, human error, fraud or other irregularities. However, by identifying and managing risks that may arise on a regular basis, the Group believes that it will be better placed to mitigate risks such as material financial misstatements or losses, and to ensure the safeguarding of assets, the maintenance of proper accounting records, the reliability of financial information, compliance with appropriate legislation, regulations and best practices, and the identification and management of business risks.

#### **Audit Committee**

### Principle 10: The Board has an Audit Committee ("AC") which discharges its duties objectively.

Composition and Role of AC

The AC currently comprises the following directors, all of whom are independent non-executive directors:

Koh Choon Kong – Chairman Yan Tang Feng – Member Xu Chun Hua – Member

All the members of the AC bring with them invaluable industry knowledge and professional expertise in the financial or business spheres, and have adequate financial management knowledge and experience to discharge their responsibilities as members of the AC.

The primary functions of the AC include the following:

- (a) to discuss and review at least annually any significant financial reporting issues and judgments in relation to the financial statements and how the issues are addressed so as to ensure the integrity of the financial statements;
- (b) to discuss and review at least annually the adequacy and effectiveness of the internal controls and risk management system of the Group with respect to financial, operational, compliance and information technology risks;
- (c) to review any announcements relating to the Company's financial performance before submission to the Board for approval;
- (d) review the assurance from the Executive Chairman and the CFO who are responsible for the financial records and financial statements;
- (e) to assess and review at least annually the adequacy, effectiveness, independence, scope and results of the external audit and the Company's internal audit functions;
- (f) to discuss and review with auditors regarding, *inter alia*, the assistance given by Management to the auditors;
- (g) to assess and review at least annually the independence and objectivity of the independent auditor, taking into consideration the aggregate fees paid for audit and non-audit services provided by the independent auditor;
- (h) to recommend to the Board on the proposals to the shareholders on the appointment, reappointment and removal of the independent auditor, and the terms of engagement and remuneration payable to the independent auditor taking into consideration the quality of work carried out by the independent auditors and the basis of such assessment;
- (i) to review interested person transactions to ensure that they are carried out on normal commercial terms and are not prejudicial to the interests of shareholders, and are in compliance with the then prevailing rules and regulations of the SGX-ST (in particular, Chapter 9 of the Listing Manual);
- (j) to review the internal audit plan and findings of the internal auditor;

- (k) to commission and review the major findings of internal investigations into matters where there is any suspected fraud or irregularity or failure of internal controls or infringement of any relevant law, rule or regulation which has or is likely to have a material impact on the Company's operating results and/or financial position; and
- (l) to undertake such other functions and duties as may be required by statute or the Listing Manual and by such amendments made thereto from time to time.

The AC has explicit authority to investigate any matter within its terms of reference, full access to and co-operation by Management and full discretion to invite any director or executive officer to attend its meetings, and reasonable resources to enable it to discharge its functions properly.

In addition, the AC has independent access to the independent auditor and internal auditor, who report independently their findings and recommendations to the AC. The AC met with auditors, without the presence of Management, at least once during the financial year.

During the financial year, the AC performed independent reviews of the financial statements of the Company before the announcement of the Company's half-year and full-year financial results. The AC also reviewed and approved both the Company's independent and internal internal auditors' plans to ensure that the plans covered sufficiently the terms of audit scope in reviewing the significant internal controls of the Group. Such significant controls comprise financial, operational, compliance and information technology controls. All audit findings and recommendations put up by the internal and the external auditors were forwarded to the AC. Significant issues were discussed at these meetings.

The AC is briefed by the independent auditor of changes to accounting standards and issues which have a direct impact on financial statements during the presentation of the audit planning memorandum and the audit report.

### **Independent Auditor**

In evaluating the quality of the work carried out by the independent auditor, Messrs CLA Global TS Public Accounting Corporation ("CLA Global TS") (formerly Nexia TS Public Accounting Corporation), the AC's assessment of the performance of CLA Global TS was based on CLA Global TS's firmwide audit quality framework, which is in line with the requirements of the Singapore Standards on Quality Management 1 (Quality Management for Firms that Perform Audits and Reviews of Financial Statements, and Other Assurance and Related Service Engagements) ("CLA Global TS AQI Framework"). The key elements of the CLA Global TS audit quality framework include assessment on the experience and involvement of senior audit team members, training programmes and independence requirements of the team members, regular inspections by both internal and external parties (e.g. the Accounting and Corporate Regulatory Authority Practice Monitoring Programme inspections), human resources (e.g. attrition rates of the audit team).

In evaluating the nomination of CLA Global TS for re-appointment for the financial year ending 31 December 2023, the AC has considered the adequacy of the resources, experience and competence of CLA Global TS. The AC also undertook a review of the independence and objectivity of the independent auditor through discussions with the independent auditor. It is noted that the aggregate amount of fees paid to the independent auditor for FY2022 is S\$241,000. No non-audit fees were paid to the independent auditor for financial year ended 31 December 2022 which may affect their independence. None of the members of the AC were partners of CLA Global TS within the last 2 years or has any financial interest in CLA Global TS.

Upon such evaluation, the AC recommended to the Board that CLA Global TS be nominated for reappointment as independent auditor of the Company at the forthcoming AGM of the Company. The Company has complied with the requirements of Rules 712 and 715 of the SGX-ST Listing Manual in relation to the appointment of auditing firms.

#### Internal Auditor

The role of the internal auditor is to assist the AC by ensuring that the Company maintains a sound system of internal controls by regular monitoring of key controls and procedures and ensuring their effectiveness, undertaking investigations as directed by the AC, and conducting regular in-depth audits of high risk areas.

The Company's internal audit functions are outsourced to Messrs Baker Tilly Consultancy (Singapore) Pte. Ltd. (the "Internal Auditor"), which is staffed with professionals with relevant qualifications and experience. They carry out their internal audit works in accordance with the Standards for the Professional Practice of Internal Auditing that are set by the Institute of Internal Auditors. The Internal Auditor has unrestricted direct access to the AC without the presence of the Executive Chairman or senior management, at least annually. The AC approves the hiring, removal, evaluation and compensation of the outsourced Internal Auditor, to ensure that they meet the professional standards set out in the Code, and that such outsourcing will not compromise the Group's quality of internal audit work. The AC ensures that the Management provides adequate support to the Internal Auditor which include, amongst others, access to documents, records, properties and personnel of the Group.

The Internal Auditor's primary line of reporting on any risks or control issues is to the Chairman of the AC, although the Internal Auditor also liaise with the Executive Chairman and the CFO on administrative matters.

During the financial year, the Internal Auditor adopted a risk-based auditing approach that focuses on material internal controls, including financial, operational, compliance and information technology controls. Audits were carried out on all significant business units in the Company. All findings and recommendations of the Internal Auditor are submitted to the AC for deliberation with copies of these reports extended to the Executive Chairman and the relevant senior management officers.

The AC also reviews annually the adequacy, effectiveness and independence of the internal audit function, and is satisfied that it is independent, effective, adequately resourced and has appropriate authority and standing to discharge its responsibilities.

### Whistle-Blowing Policy

The Group has established and implemented a whistle-blowing policy which sets out the procedures by which employees and other persons may, in confidence, raise concerns about possible improprieties in financial reporting and on misconduct or wrongdoing relating to the Group and its officers.

The Company's whistle-blowing policy allows employees to raise concerns and offer reassurance that the whistleblower will be protected against detrimental or unfair treatment for whistle-blowing in good faith. All the information in the whistleblowing report, including the identity of the employee, will be treated with strict confidentiality.

The AC is responsible for oversight and monitoring of whistle-blowing. The AC is tasked with investigating whistle-blowing reports made in good faith and in confidence, and will address any issues/concerns that are raised and follow up with the necessary investigations and/or other appropriate actions.

Following the launch of the whistle-blowing policy, a set of guidelines which was reviewed by the AC and approved by the Board, was issued to assist the AC in managing allegations of fraud or other misconduct which may be made pursuant to the whistle-blowing policy, so that investigations may be carried out in an appropriate and timely manner, and disciplinary or civil actions that may be initiated following completion of investigations, are appropriate, balanced, and fair. The Company publicly discloses, and clearly communicates to employees, the existence of the whistle-blowing policy and procedures for raising such concerns.

### (D) SHAREHOLDER RIGHTS AND ENGAGEMENT

### **Shareholder Rights and Conduct of General Meeting**

Principle 11: The company treats all shareholders fairly and equitably in order to enable them to exercise shareholders' rights and have the opportunity to communicate their views on matters affecting the company. The company gives shareholders a balanced and understandable assessment of its performance, position and prospects.

The Company is committed to maintaining and improving its level of corporate transparency, providing timely, fair and adequate disclosure of relevant information to shareholders so that they will be apprised of the developments that may have a material impact on the Company's securities. The Company does not practice selective disclosure. Such information is published through the SGXNet. The Company is open to meetings with investors and analysts, and in conducting such meetings, the Company is mindful of the need to ensure fair disclosure.

### Conduct of General Meetings

The Company ensures that true and fair information is delivered adequately to all shareholders, and that shareholders have the opportunity to participate effectively in and vote at general meetings of shareholders.

To encourage more shareholder participation, the Company's general meetings are usually held in the city centre of Singapore, which is easily accessible to most shareholders. Notices of general meetings are published through the SGXNet, and in the newspapers, as well as despatched to shareholders, together with the Letter to Shareholders (in relation to the proposed renewal of the share purchase mandate), Annual Report and Sustainability Report within the prescribed time period. Any shareholder who is not a relevant intermediary (as defined in the Companies Act) and who is unable to attend any general meeting is allowed to appoint up to two proxies to vote on his behalf at the meeting through proxy forms sent in advance. Pursuant to the Companies Act, the Central Provident Fund Board and relevant intermediaries may appoint more than two proxies. At shareholders' meetings, each distinct issue is proposed as a separate resolution. Shareholders are invited to put forth any questions they may have on the motions tabled and to be decided upon.

All directors, in particular the chairman of each Board committee, are required to be present at general meetings of shareholders to address shareholders' questions. The External Auditors are also present to address shareholders' queries (if any) about the conduct of audit and the preparation and content of the auditors' report. All the Directors (except Mdm Xu Chun Hua) had attended the AGM of the Company held on 29 April 2022, which was conducted by way of electronic means.

The Company is not implementing absentia voting methods such as voting via mail, e-mail or fax until security, integrity and other pertinent issues are satisfactorily resolved.

At general meetings, all resolutions are put to vote by poll so as to better reflect shareholders' interest and ensure greater transparency. An independent scrutineer will be appointed to explain to the shareholders the rules, including the poll voting procedures that govern such general meetings, and to validate the votes cast at the general meetings. Votes cast for or against each resolution, and the respective percentages, are tallied and informed to shareholders immediately at the general meetings. The total number of votes cast for or against the resolutions and the respective percentages are also announced on SGXNet after the general meetings.

The results of general meetings are disclosed by way of Company announcement on the SGX-ST. The Company Secretary prepares minutes of general meetings, which incorporate substantial and relevant comments or queries from shareholders relating to the agenda of the general meeting, if any, and responses from the Board and Management. These minutes are published on the Company's corporate website and on the SGXNet.

In light of the COVID-19 pandemic, the Company convened and held its AGM for FY2021 by way of electronic means on 29 April 2022 pursuant to the COVID-19 (Temporary Measures) (Alternative Arrangements for Meetings for Companies, Variable Capital Companies, Business Trusts, Unit Trusts and Debenture Holders) Order 2020. Printed copies of the notice of AGM and proxy form were not sent to shareholders, but were published on SGXNet and the Company's corporate website. Voting at the AGM was conducted by proxy only. Shareholders who wished to vote on any or all of the resolutions at the AGM had appointed the Chairman of the AGM as their proxy by completing the proxy form for the AGM, and submitting the proxy form by post or by email to the Company forty-eight (48) hours before the AGM.

With the easing of COVID-19 restrictive measures, the Company's AGM for FY2022 will return to physical mode. Therefore, shareholders will be able to attend the AGM in person. Please refer to the notice of the FY2022 AGM and announcement dated 12 April 2023 for more information on the forthcoming AGM.

### Dividend Policy

The Company declared dividends every year since its IPO in 2007. However, in view of the uncertain and challenging economic conditions, and the ongoing capital expenditure for the Group's expansion plans, it is difficult for the Company to commit to a fixed dividend policy. Nevertheless, the Board will discuss recommendations for dividend payments, whether in the form of final dividends or interim dividends, during Board meetings, taking into consideration the availability of the Company's retained earnings, the Group's profitability and financial position, capital expenditure requirements, future expansion or investment plans, and other relevant factors as may be determined by the Board.

At the forthcoming AGM, the Board had recommended for shareholders' approval a one-tier tax exempt final dividend of \$\$0.025 per ordinary share, comprising an ordinary dividend of \$\$0.01 per ordinary share, and a special dividend of \$\$0.015 per ordinary share. This is in addition to a one-tier tax exempt special interim dividend of \$\$0.005 per ordinary share which was paid during the financial year to celebrate the Group's 15<sup>th</sup> anniversary since its initial public offering. In total, the dividend declared for FY2022 amounted to \$\$0.03 per ordinary share.

#### **Engagement with Shareholders**

Principle 12: The company communicates regularly with its shareholders and facilitates the participation of shareholders during general meetings and other dialogues to allow shareholders to communicate their views on various matters affecting the company.

The Board is mindful of its obligations to provide timely and fair disclosure of material information to the SGX-ST in accordance with the Corporate Disclosure Policy as set out in the Listing Manual. The Board's policy is that all shareholders should be equally and timely informed of all major developments that impact the Group.

The Board has embraced openness and transparency in the conduct of the Company's affairs, whilst preserving the commercial interests of the Company.

Material information is communicated to shareholders in a timely manner through:

- (a) announcements of full year and half year financial results which are published via the SGXNet;
- (b) annual reports or circulars of the Company that are prepared and sent to all shareholders;
- (c) notices of AGMs and extraordinary general meetings published on SGXNet and the Company's corporate website;
- (d) press releases on major developments of the Group; and

(e) the Company's website at <a href="https://www.ChinaSunsine.com">www.ChinaSunsine.com</a> at which shareholders can access information on the Group.

The Company has an investor relations policy which provides for a mechanism through which shareholders may contact the Company with questions and through which the Company may respond to such questions. The Company has an investor relations ("IR") manager who communicates with its shareholders, analysts and potential investors regularly and attends to their queries. Together with the CFO, the IR manager also manages the dissemination of corporate information to the public as well as institutional investors, and promotes relations with and act as liaison for such parties. The contact details of the CFO and IR manager are provided in the Company's website and in its press releases.

The Board establishes and maintains regular dialogue with its shareholders through analyst briefings and at general meetings. The AGM of the Company is the principal forum for dialogue and interaction with all shareholders. During FY2022, the Company held half-yearly briefings for shareholders via electronic means on its financial results after each release of its results announcement, and it was noted that many shareholders participated in these briefings.

### (E) MANAGING STAKEHOLDER RELATIONSHIPS

### **Engagement with Stakeholders**

Principle 13: The Board adopts an inclusive approach by considering and balancing the needs and interests of material stakeholders, as part of its overall responsibility to ensure that the best interests of the company are served.

The Board adopts an inclusive approach by considering and balancing the needs and interests of material stakeholders, as part of its overall responsibility to ensure that the best interests of the Company are served.

The Group's key focus areas during FY2022 are ensuring sales and production equilibrium, ensuring environment friendly and safe production, ensuring the expansion projects were carried out smoothly and within the targeted timeline, enhancing customer satisfaction and employees' well-being, and contributing to community development.

The Group engages and manages its relationship with the key stakeholders through various means. Full details of the Group's strategy, areas of focus, methods of engagement can be found in the Company's Sustainability Report 2022.

In line with SGX's implementation of the Task Force on Climate-related Financial Disclosures framework, all Directors have attended sustainability training through courses certified by the SGX.

The Company maintains and updates its corporate website regularly with various information on the Group and the Company which serves as an important resource for investors and all stakeholders. The CFO and IR manager are the contact persons with whom the stakeholders may directly communicate, and their contact details are provided in the Company's corporate website and in its press releases.

### (F) OTHER CORPORATE GOVERNANCE MATTERS

### **Dealings in Securities**

The Group has adopted and implemented policies in line with Rule 1207(19) of the Listing Manual in relation to the dealing of shares of the Company. The policies have been made known to directors, executive officers and any other persons as determined by Management who may possess unpublished material price-sensitive information of the Group.

The Group and its officers and employees are prohibited from trading in the Company's securities, during the period beginning 1 month before the date of the announcement of the full year or half year results and ending on the date of the announcement of the relevant results ("**Prohibited Periods**"). Directors and employees are also advised against dealing in the securities when they are in possession of any unpublished material price-sensitive information of the Group.

Directors and officers are required to comply with and observe the laws on insider trading even if they trade in the Company's securities outside the Prohibited Periods. They are discouraged from dealing in the Company's securities on short-term considerations and should be mindful of the law on insider trading.

### **Interested Person Transactions**

The Company has adopted an internal policy governing procedures for the identification, approval and monitoring of interested person transactions ("IPTs"). All IPTs are subject to review by the AC to ensure that they are carried out on an arm's length basis, on normal commercial terms and will not be prejudicial to the interests of the shareholders. On a quarterly basis, Management reports findings of IPTs, if any, during AC meetings.

In the event that a member of the AC is interested in any IPT, he or she will abstain from reviewing that particular transaction.

The Board will ensure that all disclosure, approval and other requirements on IPTs, including those required by prevailing legislation, the Listing Manual and accounting standards are complied with.

There were no IPTs of aggregate value exceeding S\$100,000 conducted during FY2022.

#### **Material Contracts**

Pursuant to Rule 1207(8) of the Listing Manual, save for the Service Agreements entered into with the executive directors, no material contracts, not being contracts entered into in the ordinary course of business, had been entered into by the Company and its subsidiaries involving the interest of each director or controlling shareholder, which are either still subsisting at the end of the financial year or if not then subsisting, entered into since the end of the previous financial year.

### **Report on the Audit of the Financial Statements**

### Our opinion

We have audited the accompanying consolidated financial statements of China Sunsine Chemical Holdings Ltd. (the "Company") and its subsidiary corporations (the "Group"), which comprise the consolidated statement of financial position of the Group and the statement of financial position of the Company as at 31 December 2022, and the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows of the Group for the financial year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements of the Group and the statement of financial position of the Company are properly drawn up in accordance with the provisions of the Companies Act 1967 of Singapore (the "Act") and Singapore Financial Reporting Standards (International) ("SFRS(I)s") so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at 31 December 2022 and of the consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group for the financial year ended on that date.

### Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority ("ACRA") *Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* ("ACRA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements for the financial year ended 31 December 2022. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### Revenue recognition

Refer to Note 2.2 and Note 4 to the financial statements.

### Area of focus

The Group derives revenue primarily from sales of rubber chemicals which are recognised at a point in time, i.e. when the control of the products has been transferred to the customers, being when the products are delivered to the customer and are accepted by the customer. For export sales, revenue are recognised at a point in time when the products are loaded on board, based on the incoterms, namely free on board ("FOB") and cost, insurance and freight ("CIF"). The Group's other revenue includes provision of heating power, waste treatment and hospitality income which are also recognised at a point in time when the services or the goods are consumed by or delivered to the customer. During the financial year ended 31 December 2022, the Group recognised total revenue of RMB3,825,061,000.

Key Audit Matters (continued)

### Revenue recognition (continued)

Refer to Note 2.2 and Note 4 to the financial statements.

### **Area of focus** (continued)

We focus on this area as a key audit matter as there is presumed fraud risk with regards to revenue recognition and revenue being one of the key performance indicators of the Group, represents the most significant item on the Group's financial statements. The potential existence of management override controls and large volume of transactions also increase the inherent risk of material misstatement in the amount of revenue reported.

### How our audit addressed the area of focus

In obtaining sufficient audit evidence, the following procedures have been performed:

- Reviewed and assessed that the Group's revenue recognition policies are in accordance with SFRS(I) 15 Revenue from Contracts with Customers and have been consistently applied within the Group;
- Evaluated the design and implementation of internal controls relating to revenue and receivables and tested the operating effectiveness;
- Performed analytical procedures to identify unusual fluctuations or trends and areas where there is a higher risk of misstatement;
- Performed substantive test of details of revenue transactions throughout the financial year on a sampling basis through verification of supporting documents and performed cut-off test to ascertain that sales have been properly taken up in the correct financial year;
- Reviewed credit notes issued subsequent to the end of the financial year and ascertained that revenue is adjusted accordingly, if any; and
- Reviewed management journal entries to detect any unusual transactions in relation to revenue for evidence of fraud.

### Expected credit loss ("ECL") allowance on trade receivables

Refer to Note 2.9(b), Note 3, Note 11 and Note 24(b) to the financial statements.

### Area of focus

As at 31 December 2022, the Group has trade receivables from non-related parties of RMB719,419,000, net of loss allowance of RMB6,857,000. These trade receivables represent approximately 17% of the Group's total assets.

In accordance with SFRS(I) 9 Financial Instruments, the Group is required to recognise ECL on financial assets that are measured at a mortised cost. For trade receivables, the Group uses a provision matrix to measure the lifetime ECL allowance and trade receivables are grouped based on shared credit risk characteristics and days past due for the purpose of the ECL assessment. In calculating the expected credit loss rates, the Group considers historical loss rates for each category of customers and adjustments are made to reflect current and forward-looking macroeconomic factors affecting the ability of the customers to settle the receivables.

To the Members of China Sunsine Chemical Holdings Ltd.

Key Audit Matters (continued)

**Expected credit loss ("ECL") allowance on trade receivables** (continued) Refer to Note 2.9(b), Note 3, Note 11 and Note 24(b) to the financial statements.

### Area of focus (continued)

The assessment of ECL allowance on trade receivables is considered to be a key audit matter because of the significant judgements applied, subjective assumptions used by management and the related estimation uncertainty involved in determining the adequacy of the loss allowance provided.

The significance of this is further elevated by the current overall economic outlook in the People's Republic of China and in the countries where the Group's customers operate, which could increase the risk of default of the Group's customers.

### How our audit addressed the area of focus

In obtaining sufficient audit evidence, the following procedures have been performed:

- Obtained an understanding and evaluated the Group's processes and ECL assessment for trade receivables;
- Assessed the appropriateness of the estimates and judgments used by management in the
  estimation of expected credit losses and consequently the allowances required by comparing
  against the aging profile of trade receivables, historical default rates, debt collection patterns
  and other information on creditworthiness and evaluating the forward-looking information of
  the Group's customers;
- Reviewed the aging analysis of trade receivables and tested the accuracy of aging report; and
- Reviewed and considered the adequacy of disclosures made in the financial statements in respect of the credit risk of trade receivables.

### Other Information

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

To the Members of China Sunsine Chemical Holdings Ltd.

### Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and SFRS(I)s, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

To the Members of China Sunsine Chemical Holdings Ltd.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities
  or business activities within the Group to express an opinion on the consolidated financial
  statements. We are responsible for the direction, supervision and performance of the group
  audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that was of most significance in the audit of the financial statements of the current financial year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

In our opinion, the accounting and other records required by the Act to be kept by the Company has been properly kept in accordance with the provisions of the Act.

The engagement director on the audit resulting in this independent auditor's report is Meriana Ang Mei Ling.

### 1 General information

China Sunsine Chemical Holdings Ltd. (the "Company") is listed on the Singapore Exchange and incorporated and domiciled in Singapore. The registered office and the principal place of business is located at 16 Raffles Quay #15-08 Hong Leong Building Singapore 048581.

The immediate and ultimate holding corporation of the Company is Success More Group Ltd ("Success More"), a company incorporated in the British Virgin Islands.

The principal activity of the Company is that of an investment holding company. The principal activities of its subsidiary corporations are set out in Note 13 to the financial statements.

### 2 Significant accounting policies

### 2.1 Basis of preparation

These financial statements have been prepared in accordance with the Singapore Financial Reporting Standards (International) ("SFRS(I)s") under the historical cost convention, except as disclosed in the accounting policies below. The financial statements are presented in Chinese Renminbi ("RMB") and have been rounded to the nearest thousand, unless otherwise stated.

The preparation of financial statements in conformity with SFRS(I)s requires management to exercise its judgement in the process of applying the Group's accounting policies. It also requires the use of certain critical accounting estimates and assumptions. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 3 to the financial statements.

On 1 January 2022, the Group has adopted the new or amended SFRS(I)s and Interpretations of SFRS(I) ("INT SFRS(I)") that are mandatory for application for the financial year. Changes to the Group's accounting policies have been made as required, in accordance with the transitional provisions in the respective SFRS(I) and INT SFRS(I).

The adoption of these new or amended SFRS(I)s and INT SFRS(I) did not result in substantial changes to the Group's accounting policies and had no material effect on the amounts reported for the current or prior financial years.

#### **Impact of COVID-19**

The Group's significant operations are in People's Republic of China ("PRC"), all of which have been affected by the spread of COVID-19 since 2020. The pandemic has been largely under control and the PRC government has reopened their borders on 8 January 2023. The Group's financial performance has improved in 2022 as compared to that in 2021.

Set out below is the impact of COVID-19 on the Group's financial performance reflected in this set of financial statements for the financial year ended 31 December 2022.

- (i) The Group has assessed that the going concern basis of preparation for this set of financial statements remains appropriate.
- (ii) The Group has considered the market conditions (including the impact of COVID-19) as at the reporting date, in making estimates and judgements on the recoverability of assets as at 31 December 2022.

For the financial year ended 31 December 2022

### 2 Significant accounting policies (continued)

### 2.2 Revenue

Revenue comprise the fair value of the consideration received or receivable for the sale of goods and rendering of services in the ordinary course of the Group's activities. Revenue are presented, net of value-added tax, rebates and discounts, and after eliminating sales within the Group.

Revenue from sales of goods and services in the ordinary course of business is recognised when the Group satisfies a performance obligation ("PO") by transferring control of a promised good or service to the customer. The amount of revenue recognised is the amount of the transaction price allocated to the satisfied PO.

### (a) Sales of rubber chemicals

Local sales revenue are recognised at a point in time when the products are delivered to the customer and are accepted by the customer.

Export sales revenue are recognised at a point in time when the products are loaded on board, based on the incoterms, namely free on board ("FOB") and cost, insurance and freight ("CIF").

### (b) Provision of heating power

Revenue is recognised at a point in time when the steam has been supplied and utilised by the customer. The consumption of steam is measured by meters installed.

### (c) Waste treatment

Revenue is recognised at a point in time when the chemical waste has been treated.

### (d) Hospitality income

Revenue is recognised at a point in time when goods and services has been delivered and consumed by the customer.

#### (e) Interest income

Interest income is recognised using the effective interest rate method.

### (f) Dividend income

Dividend income is recognised when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of the dividend can be reliably measured.

### 2.3 Government grants

Grants from the government are recognised as a receivable at their fair value when there is reasonable assurance that the grant will be received and the Group will comply with all the attached conditions.

Government grants receivable are recognised as income over the periods necessary to match them with the related costs which they are intended to compensate, on a systematic basis. Government grants relating to expenses are shown separately as other income.

Government grants relating to assets are deducted against the carrying amount of the assets.

For the financial year ended 31 December 2022

### 2 Significant accounting policies (continued)

### 2.4 Group accounting

### **Subsidiary corporations**

### (a) Consolidation

Subsidiary corporations are all entities (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Subsidiary corporations are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date on that control ceases.

In preparing the consolidated financial statements, transactions, balances and unrealised gains on transactions between group entities are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment indicator of the transferred asset. Accounting policies of subsidiary corporations have been changed where necessary to ensure consistency with the policies adopted by the Group.

### (b) Acquisitions

The acquisition method of accounting is used to account for business combinations entered into by the Group.

The consideration transferred for the acquisition of a subsidiary corporation or business comprises the fair value of the assets transferred, the liabilities incurred and the equity interests issued by the Group. The consideration transferred also includes any contingent consideration arrangement and any pre-existing equity interest in the subsidiary corporation measured at their fair values at the acquisition date.

Acquisition-related costs are expensed as incurred.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date.

On an acquisition-by-acquisition basis, the Group recognises any non-controlling interest in the acquiree at the date of acquisition either at fair value or at the non-controlling interest's proportionate share of the acquiree's identifiable net assets.

The excess of (a) the consideration transferred, the amount of any non-controlling interest in the acquiree and the acquisition-date fair value of any previous equity interest in the acquiree over the (b) fair value of the identifiable net assets acquired is recorded as goodwill. If the amount in (b) exceeds the aggregate amounts specified in (a), the acquirer shall recognise the resulting gain in profit or loss on the acquisition date. The gain shall be attributed to the acquirer.

If those amounts are less than the fair value of the identifiable net assets of the subsidiary corporation acquired and the measurement of all amounts has been reviewed, the difference is recognised directly in profit or loss as a gain from bargain purchase.

For the financial year ended 31 December 2022

### 2 Significant accounting policies (continued)

### **2.4 Group accounting** (continued)

### **Subsidiary corporations** (continued)

### (b) Acquisitions (continued)

Acquisitions of entities under common control have been accounted for using the pooling-of-interest method. Under this method:

- The consolidated financial statements of the Group have been prepared as if the Group structure immediately after the transaction has been in existence since the earliest date the entities are under common control;
- The assets and liabilities are brought into the consolidated financial statements at their existing carrying amounts from the perspective of the controlling party;
- The consolidated statement of comprehensive income includes the results of the acquired entities since the earliest date the entities are under common control;
- The cost of investment is recorded at the aggregate of the nominal value of the equity shares issued, cash and cash equivalents and fair values of other consideration; and
- On consolidation, the difference between the cost of investment and the nominal value of the share capital of the merged entity is taken to merger reserve.

### (c) Disposals

When a change in the Group's ownership interest in a subsidiary corporation results in a loss of control over the subsidiary corporation, the assets and liabilities of the subsidiary corporation including any goodwill are derecognised. Amounts previously recognised in other comprehensive income in respect of that entity are also reclassified to profit or loss or transferred directly to retained profits if required by a specific SFRS(I).

Any retained equity interest in the entity is remeasured at fair value. The difference between the carrying amount of the retained interest at the date when control is lost and its fair value is recognised in profit or loss.

Please refer to the paragraph "Investments in subsidiary corporations" for the accounting policy on investments in subsidiary corporations in the separate financial statements of the Company.

For the financial year ended 31 December 2022

## 2 Significant accounting policies (continued)

## 2.5 Property, plant and equipment

#### (a) Measurement

#### (i) Property, plant and equipment

Property, plant and equipment are initially recognised at cost and subsequently carried at cost less accumulated depreciation and accumulated impairment losses.

## (ii) Components of costs

The cost of an item of property, plant and equipment initially recognised includes its purchase price and any cost that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Grants received or receivable for the acquisition of property, plant and equipment are deducted from the cost of the asset.

#### (b) Depreciation

Depreciation on property, plant and equipment is calculated using the straight-line method to allocate their depreciable amounts over their estimated useful lives as follows:

Plant and machinery Buildings Motor vehicles Office equipment Useful lives 10 years 12 to 20 years 5 to 8 years 5 years

Assets under construction included in property, plant and equipment are not depreciated as these assets are not yet available for use.

Fully depreciated property, plant and equipment still in use are retained in the financial statements.

The estimated useful lives and depreciation method of property, plant and equipment are reviewed, and adjusted as appropriate, at each reporting date. The effects of any revision are recognised in profit or loss when the changes arise.

#### (c) Subsequent expenditure

Subsequent expenditure relating to property, plant and equipment that has already been recognised is added to the carrying amount of the asset only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repair and maintenance expenses are recognised in profit or loss when incurred.

## (d) Disposal

On disposal of an item of property, plant and equipment, the difference between the disposal proceeds and its carrying amount is recognised in profit or loss.

For the financial year ended 31 December 2022

## 2 Significant accounting policies (continued)

## 2.6 Intangible assets

## Land use rights

Land use rights are initially recognised at cost and are subsequently carried at cost less accumulated amortisation and accumulated impairment losses. These costs are amortised to profit or loss using the straight-line method over 35 years and 50 years respectively, which is the shorter of their estimated useful lives and periods of contractual rights.

## 2.7 Investments in subsidiary corporations

Investments in subsidiary corporations are carried at cost less accumulated impairment losses in the Company's statement of financial position. On disposal of such investments, the difference between the disposal proceeds and the carrying amounts of the investments are recognised in profit or loss.

## 2.8 Impairment of non-financial assets

Property, plant and equipment Intangible assets Investments in subsidiary corporations

Property, plant and equipment, intangible assets and investments in subsidiary corporations are tested for impairment annually for any objective evidence or indication that these assets may be impaired.

For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash inflows that are largely independent of those from other assets. If this is the case, the recoverable amount is determined for the cash-generating units ("CGU") to which the asset belongs.

If the recoverable amount of the asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount.

The difference between the carrying amount and recoverable amount is recognised as an impairment loss in profit or loss.

For an asset, management assesses at the end of the reporting period whether there is any indication that an impairment recognised in prior periods may no longer exist or may have decreased. If any such indication exists, the recoverable amount of that asset is estimated and may result in a reversal of impairment loss. The carrying amount of this asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortisation or depreciation) had no impairment loss been recognised for the asset in prior years. A reversal of impairment loss for an asset is recognised in profit or loss.

For the financial year ended 31 December 2022

## 2 Significant accounting policies (continued)

#### 2.9 Financial assets

## (a) Classification and measurement

The Group classifies its financial assets at amortised cost. The classification depends on the Group's business model for managing the financial assets as well as the contractual terms of the cash flows of the financial asset.

The Group reclassifies debt instruments when and only when its business model for managing those assets changes.

#### At initial recognition

At initial recognition, the Group measures a financial asset at its fair value plus transaction costs that are directly attributable to the acquisition of the financial assets.

## At subsequent measurement

#### Debt instruments

Debt instruments mainly comprise of cash and cash equivalents and trade and other receivables.

Debt instruments that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt instrument that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is recognised using the effective interest rate method.

#### (b) Impairment

The Group assesses on a forward-looking basis the expected credit losses associated with its debt financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 24(b) details how the Group determines whether there has been a significant increase in credit risk.

For trade receivables, the Group applies the simplified approach permitted by the SFRS(I) 9 *Financial Instruments*, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

#### (c) Recognition and derecognition

Regular way purchases and sales of financial assets are recognised on trade date – the date on which the Group commits to purchase or sell the asset.

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Group has transferred substantially all risks and rewards of ownership.

On disposal of a debt instrument, the difference between the carrying amount and the sale proceeds is recognised in profit or loss. Any amount previously recognised in other comprehensive income relating to that asset is reclassified to profit or loss.

For the financial year ended 31 December 2022

## 2 Significant accounting policies (continued)

## 2.10 Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount reported in the statement of financial position when there is a legally enforceable right to offset and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

## 2.11 Trade and other payables

Trade and other payables represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. They are classified as current liabilities if payment is due within one year or less (or in the normal operating cycle of the business if longer). Otherwise, they are presented as non-current liabilities.

Trade and other payables are initially recognised at fair value, and subsequently carried at amortised cost using the effective interest method.

#### 2.12 Leases

When the Group is the lessee:

At the inception of the contract, the Group assesses if the contract contains a lease. A contract contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Reassessment is only required when the terms and conditions of the contract are changed.

## Short term and low value leases

The Group has elected to not recognise right-of-use assets and lease liabilities for short-term leases that have lease terms of 12 months or less and leases of low value leases, except for sublease arrangements. Lease payments relating to these leases are expensed to profit or loss on a straight-line basis over the lease term.

#### 2.13 Inventories

Inventories are carried at the lower of cost and net realisable value. Cost is determined using the weighted average method. The cost of finished goods comprises raw materials, direct labour, other direct costs and related production overheads (based on normal operating capacity). Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and applicable variable selling expenses.

#### 2.14 Income taxes

Current income tax for current and prior periods is recognised at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the reporting date. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and considers whether it is probable that a tax authority will accept an uncertain tax treatment. The Group measures its tax balances either based on the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

For the financial year ended 31 December 2022

## 2 Significant accounting policies (continued)

#### **2.14** *Income taxes* (continued)

Deferred income tax is recognised for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements except when the deferred income tax arises from an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

A deferred income tax liability is recognised on temporary differences arising on investments in subsidiary corporations, except where the Group is able to control the timing of the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

A deferred income tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised.

Deferred income tax is measured:

- (i) at the tax rates that are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the reporting date; and
- (ii) based on the tax consequence that will follow from the manner in which the Group expects, at the reporting date, to recover or settle the carrying amounts of its assets and liabilities.

Current and deferred income taxes are recognised as income or expense in profit or loss, except to the extent that the tax arises from a business combination or a transaction which is recognised directly in equity. Deferred tax arising from a business combination is adjusted against goodwill on acquisition.

The Group accounts for investment tax credits (for example, productivity and innovative credit) similar to accounting for other tax credits where deferred tax asset is recognised for unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax credit can be utilised.

## 2.15 Employee compensation

Employee benefits are recognised as an expense, unless the cost qualifies to be capitalised as an asset.

(a) Defined contribution plans

Defined contribution plans are post-employment benefit plans under which the Group pays fixed contributions into separate entities such as the Central Provident Fund on a mandatory, contractual or voluntary basis. The Group has no further payment obligations once the contributions have been paid.

For the financial year ended 31 December 2022

# 2 Significant accounting policies (continued)

# **2.15** *Employee compensation* (continued)

## (b) Defined contribution plans – retirement benefits

Pursuant to the relevant regulations of the People's Republic of China ("PRC") government, the PRC subsidiary corporations of the Group ("PRC Subsidiary Corporations") have participated in central pension schemes ("the Schemes") operated by local municipal government whereby the PRC Subsidiary Corporations are required to contribute a certain percentage of the basic salaries of their employees to the Schemes to fund its retirement benefits. The local municipal government undertakes to assume the retirement benefit obligations of all existing and future retired employees of the PRC Subsidiary Corporations. The only obligation of the PRC Subsidiary Corporations with respect to the Schemes is to pay the ongoing required contributions under the Schemes mentioned above. Contributions under the Schemes are charged to profit or loss when incurred.

## (c) Bonus plan

The Group recognises a liability and an expense for bonuses, based on a formula that takes into consideration the net profit attributable to the Company's shareholders after certain adjustments. The Group recognises a provision when contractually obliged to pay or when there is a past practice that has created a constructive obligation to pay.

## 2.16 Currency translation

#### (a) Functional and presentation currency

Items included in the financial statements of each entity in the Group are measured using the currency of the primary economic environment in which the entity operates ("functional currency"). The Company's functional currency is Singapore Dollar ("SGD"). The financial statements are presented in Chinese Renminbi ("RMB") as the functional currency of the Group's operating subsidiary corporations is Chinese Renminbi.

#### *(b) Transactions and balances*

Transactions in a currency other than the functional currency ("foreign currency") are translated into the functional currency using the exchange rates at the dates of the transactions. Currency exchange differences resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at the closing rates at the reporting date are recognised in profit or loss. Monetary items include primarily financial assets and financial liabilities.

When a foreign operation is disposed of or any loan forming part of the net investment of the foreign operation is repaid, a proportionate share of the accumulated currency translation differences is reclassified to profit or loss, as part of the gain or loss on disposal.

Foreign exchange gains and losses impacting profit or loss are presented within "Other gains/(losses) - net".

Non-monetary items measured at fair values in foreign currencies are translated using the exchange rates at the date when the fair values are determined.

For the financial year ended 31 December 2022

# 2 Significant accounting policies (continued)

## **2.16** Currency translation (continued)

(c) Translation of Group entities' financial statements

The results and financial position of all the Group entities (none of which has the currency of a hyperinflationary economy) that have a functional currency different from the presentation currency are translated into the presentation currency as follows:

- (i) assets and liabilities are translated at the closing exchange rates at the reporting date;
- (ii) income and expenses are translated at average exchange rates (unless the average is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated using the exchange rates at the dates of the transactions); and
- (iii) all resulting currency translation differences are recognised in other comprehensive income and accumulated in the currency translation reserve. These currency translation differences are reclassified to profit or loss on disposal or partial disposal with loss of control of the foreign operation.

# 2.17 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Directors whom are responsible for allocating resources and assessing performance of the operating segments.

#### 2.18 Cash and cash equivalents

For the purpose of presentation in the consolidated statement of cash flows, cash and cash equivalents include cash on hand and deposits with financial institutions which are subject to an insignificant risk of change in value. For cash subjected to restriction, assessment is made on the economic substance of the restriction and whether they meet the definition of cash and cash equivalents.

#### 2.19 Share capital and treasury shares

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are deducted against the share capital account.

When any entity within the Group purchases the Company's ordinary shares ("treasury shares"), the carrying amount which includes the consideration paid and any directly attributable transaction cost is presented as a component within equity attributable to the Company's equity holders, until they are cancelled, sold or reissued.

When treasury shares are subsequently cancelled, the cost of treasury shares are deducted against the share capital account if the shares are purchased out of capital of the Company, or against the retained profits of the Company if the shares are purchased out of earnings of the Company.

When treasury shares are subsequently sold or reissued, the cost of treasury shares is reversed from the treasury share account and the realised gain or loss on sales or reissue, net of any directly attributable incremental transaction costs and related income tax, is recognised in the capital reserve.

## 2.20 Dividends to Company's shareholders

Dividends to the Company's shareholders are recognised when the dividends are approved for payment.

## 3 Critical accounting estimates, assumptions and judgements

Estimates, assumptions and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

# **Expected credit loss allowance on trade receivables**

Expected credit losses (ECL) on trade receivables are probability-weighted estimates of credit losses which are determined by evaluating a range of possible outcomes and taking into account past events, current conditions and assessment of future economic conditions.

The Group has used relevant historical information and loss experience to determine the probability of default of the instruments and incorporated forward-looking information, including significant changes in external market indicators which involved significant estimates and judgements.

In determining the ECL of trade receivables, the Group has used four years of historical losses data to determine the loss rate and applied an adjustment against the historical loss rate based on the default rate to reflect the current and forward-looking information.

Notwithstanding the above, the Group evaluates the expected credit loss on customers in financial difficulties separately.

As at 31 December 2022, the Group's gross trade receivables amounted to RMB726,276,000 (2021: RMB757,238,000) which arose from the Group's different revenue segments - sales of rubber chemicals, provision of heating power and waste treatment. The loss allowance provided for trade receivables as at 31 December 2022 amounted to RMB6,857,000 (2021: RMB10,438,000).

The carrying amounts of the Group's trade receivables at the end of each financial year are disclosed in Note 11.

The Group's credit risk exposure for trade receivables are set out in Note 24(b).

# 3 Critical accounting estimates, assumptions and judgements (continued)

# Impairment of property, plant and equipment and intangible assets

Property, plant and equipment and intangible assets are tested for impairment annually for any objective evidence or indication that these assets may be impaired.

During the financial year, the Group carried out impairment test for certain property, plant and equipment and intangible assets due to presence of impairment indicators. Based on the impairment assessment, there is no impairment loss required for the financial years ended 31 December 2022 and 2021 respectively.

The recoverable amount of the property, plant and equipment and intangible asset with impairment indicators were derived based on fair value less cost to sell as determined by an independent external valuer. For the purpose of impairment assessment, the fair value of property, plant and equipment is determined using depreciation replacement cost, taking into consideration economic useful life and physical/functional deterioration and applying adjustment of 40% and 60% (2021: 40% and 60%) respectively and the fair value of intangible asset is determined using market approach which is the comparison of similar nature such as location, approved usage and useful life, adjusted using the coefficient approach. Actual results may ultimately differ from the estimates and key assumptions utilised in the calculations. Accordingly, there may be adjustments to the carrying amounts of the respective assets.

The carrying amounts of the Group's property, plant and equipment and intangible assets as at 31 December 2022 amounted to RMB861,651,000 (2021: RMB939,239,000) and RMB213,038,000 (2021: RMB144,644,000) respectively.

#### 4 Revenue

One of the subsidiary corporations of the Group has obtained the approval of High and New-Technology Enterprise ("HNTE") status certificate in May 2022, effective for a 3-year period with effect from 1 January 2021. Under the HNTE programme, the subsidiary corporation qualified for a preferential corporate income tax rate of 15% instead of the headline corporate income tax rate of 25%. Following the approval, the Group has received refund from the PRC tax authority for the over-payment of tax made in prior financial year of RMB36,124,000 which was included in the over-provision of current income tax for the financial year.

Deferred income tax assets are recognised for tax losses carried forward to the extent that realisation of the related tax benefits through future taxable profit is probable. The Group has unrecognised tax losses of RMB238,904,000 (2021: RMB196,742,000) at the reporting date which can be carried forward and used to offset against future taxable income subject to meeting certain statutory requirements by the Company. The tax losses have no expiry date.

Deferred income tax liabilities of approximately RMB124,182,000 (2021: RMB106,079,000) have not been recognised for withholding taxes that would be payable on unremitted earnings of the Group's subsidiary corporations (established in People's Republic of China) as the Group is in a position to control the timing of the remittance of earning and it is not probable that these subsidiary corporations will distribute such earnings in the foreseeable future.

# Statutory and Voluntary common reserves

According to the Company Law of People's Republic of China ("PRC") and Articles of Association of PRC Subsidiary Corporations, the subsidiary corporations are required to provide the following statutory reserves which are appropriated from the net profit as reported in the PRC statutory financial statements:

# (i) <u>Statutory common reserve</u>

A company is required to transfer 10% of the net profit as reported in its PRC statutory financial statements to statutory common reserve annually, except where the fund has reached 50% of the company's registered capital. This fund can be used to make up for any losses incurred or be converted into paid-up capital, provided that the fund does not fall below 25% of the registered capital.

# (ii) Voluntary common reserve

In accordance with the relevant laws and regulations in the People's Republic of China, the subsidiary corporation is allowed to appropriate a minimum of 10% of the net profit reported in the statutory accounts to the voluntary common reserve which serves as staff welfare fund until the balance of such reserve reached 50% of its registered share capital.

The amount to be set aside is determined by the Board of Directors annually in accordance with the relevant regulations. This reserve cannot be used for purposes other than those for which is created and is not distributable as cash dividends.

## 24 Financial risk management

# Financial risk factors

The Group's activities expose it to market risk (including currency risk and interest rate risk), credit risk, liquidity risk and capital risk. The Group's overall risk management strategy seeks to minimise any adverse effects from the unpredictability of financial markets on the Group's financial performance.

The Board of Directors is responsible for setting the objectives and underlying principles of financial risk management for the Group. The Board of Directors establishes the detailed policies such as authority levels, oversight responsibilities, risk identification and measurement.

The overall business strategies of the Group, its tolerance for risk and its general risk management philosophy are determined by the management in accordance with prevailing economic and operating conditions. In determining its risk management policies, the management ensures that an acceptable balance is made between the cost of risks occurring and the cost of managing the risks.

The Board of Directors reviews and agrees policies for managing each of these risks and they are summarised below:

#### (a) Market risk

## (i) <u>Currency risk</u>

The Group operates in People's Republic of China ("PRC"). Entities in the Group regularly transact in currencies other than their respective functional currencies ("foreign currencies"). Currency risk arises within entities in the Group when transactions are denominated in foreign currencies such as the Singapore Dollar ("SGD"), United States Dollar ("USD") and Euro ("EUR").

There is no formal hedging policy with respect to foreign currency exposure. Exposure to foreign currency risk is monitored on an ongoing basis and the Group endeavours to keep the net exposure at an acceptable level.

Currently, the PRC government imposes control over foreign currencies. Chinese Renminbi ("RMB"), the official currency of the PRC is not freely convertible. Enterprises operating in the PRC can enter into exchange transactions through the People's Bank of China or other authorised financial institutions.

The Company's operation does not expose itself to significant currency risk as it transacts mainly in SGD.

#### (ii) Cash flow and fair value interest rate risks

Cash flow interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Fair value interest rate risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market interest rates.

For the financial years ended 31 December 2022 and 2021, the Group is not exposed to significant cash flow and fair value interest rate risk as the Group's exposure on interest rate risk is primarily from short-term bank deposits placed.

#### (b) Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Group. The major class of financial assets of the Group is cash and cash equivalents and trade and other receivables. For trade receivables, the Group adopts the policy of dealing only with customers of appropriate credit standing and history to mitigate credit risk. For other financial assets, the Group adopts the policy of dealing only with high credit quality counterparties.

Credit exposure to an individual counterparty is restricted by credit limits that are approved by the Group's Executive Chairman based on ongoing credit evaluation. The counterparty's payment pattern and credit exposure are continuously monitored by the directors.

As the Group does not hold any collateral, the maximum exposure to credit risk for each class of financial instruments is the carrying amount of that class of financial instruments presented on the statement of financial position.

There is no significant concentrations of credit risk, whether through exposure to individual customers, specific industry sectors and/or regions.

For the financial year ended 31 December 2022

# **24** Financial risk management (continued)

## (b) Credit risk (continued)

The credit risk for trade receivables based on the information provided to key management is as follows:

	2022	2021
	RMB'000	RMB'000
By geographical areas		
People's Republic of China	548,996	531,246
Overseas market	170,423	215,554
	719,419	746,800

The movement in the credit loss allowance is as follows:

	2022	2021
_	RMB'000	RMB'000
Beginning of financial year  Movement during the financial year:	(10,438)	(10,387)
- Allowance made	(8,700)	(980)
- Reversal of unutilised allowance	12,281	929
Net amount recognised in profit or loss	3,581	(51)
End of financial year (Note 11)	(6,857)	(10,438)

The Group uses a provision matrix to measure the lifetime expected credit loss allowance for trade receivables. In measuring the expected credit losses, trade receivables are grouped based on shared credit risk characteristics and days past due.

In calculating the expected credit loss rates, the Group considers historical loss rates for each category of customers and adjusts to reflect current and forward-looking macroeconomic factors affecting the ability of the customers to settle the receivables.

Trade receivables are written off when there is no reasonable expectation of recovery, such as a debtor significantly delay in payments, or a debtor will probably enter bankruptcy. The Group considers a financial asset as in default if the counterparty fails to make contractual payments within 6 months after the invoices are issued, and writes off or impairs the financial asset. Where receivables are written off or impaired, the Group continues to engage in enforcement activity to attempt to recover the receivables due. Where recoveries are made, these are recognised in profit or loss.

Notwithstanding the above, the Group evaluates the expected credit loss on each customer separately. Trade receivables that are individually determined to be impaired at the reporting date relate to debtors that have defaulted on payments. These receivables are not secured by any collateral or credit enhancements.

For the financial year ended 31 December 2022

### Cash and cash equivalents

The Group and the Company held cash and cash equivalents with banks of high credit ratings and considered to have low credit risk. The cash balances are measured on 12-month expected credit losses and subject to immaterial credit loss.

## Other receivables

The Group and the Company performed an assessment of qualitative and quantitative factors which are indicative of the risk of default (including but not limited to press information and applying experience credit judgement). Other receivables are measured on 12-month expected credit losses and subject to immaterial credit loss.

#### (c) Liquidity risk

Liquidity risk is the risk that the Group will not be able to meet its financial obligation as they fall due. The Group's approach in managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

For the financial year ended 31 December 2022

## **24** Financial risk management (continued)

## (c) Liquidity risk (continued)

Prudent liquidity risk management includes maintaining sufficient cash and cash equivalents. At the reporting date, assets held by the Group and the Company for managing liquidity risk included cash and short-term deposits as disclosed in Note 10.

The Group monitors its liquidity risk and maintains a level of cash and cash equivalents deemed adequate by management to finance the Group's operations and to mitigate the effects of fluctuations in cash flows. The Group monitors working capital projections regularly, taking into account the available banking facilities to ensure that the Group has adequate working capital to meet current requirement.

The table below analyses non-derivative financial liabilities of the Group and the Company into relevant maturity groupings based on the remaining period from the reporting date to the contractual maturity date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying amounts as the impact of discounting is not significant.

#### (d) Capital risk

The Group's objectives when managing capital are to safeguard the Group's ability to continue as a going concern and to maintain an optimal capital structure so as to maximise shareholder value. In order to maintain or achieve an optimal capital structure, the Group may adjust the amount of dividend payments, return capital to shareholders, issue new shares, buy back issued shares, obtain new borrowings or sell assets to reduce borrowings.

The Group and the Company are not subject to any externally imposed capital requirements for the financial years ended 31 December 2021 and 2022.

#### (e) Fair value measurements

The fair values of current financial assets and financial liabilities carried at amortised cost approximate their carrying amounts.

#### 26 Segment information

The Board of Directors ("BOD") is the Group's chief operating decision-makers. Management has determined the operating segments based on the reports reviewed by the BOD that are used to make strategic decision, allocate resources, and assess performance. The BOD assesses the Group's performance mainly from business segment perspective.

The Group has three (2021: three) primary reportable business segments, namely (1) the manufacturing and sales of rubber chemicals, (2) the production and supply of heating power, and (3) waste treatment.

Other segments included investment holding in Singapore and hotel and restaurant operations in People's Republic of China. These are not included within the reportable operating segments as the segments do not meet the quantitative thresholds required by SFRS(I) 8 *Operating Segments* for reportable segments. The results of these operations are included in the "Others" column.

Sales between segments are carried out at agreed terms. The revenue from external parties reported to the BOD is measured in a manner consistent with that in the statement of comprehensive income.

The BOD assesses the performance of the operating segments based on a measure of earnings before interest, tax, depreciation and amortisation ("Adjusted EBITDA"). This measurement basis excludes the effects of expenditure from the operating segments such as impairment loss that are not expected to recur regularly in every period which are separately analysed. Interest income and finance expenses are not allocated to segments, as this type of activity is driven by the Board of Directors, which manages the cash position of the Group.

### 27 New or revised accounting standards and interpretations

Below are the mandatory standards, amendments and interpretations to existing standards that have been published, and are relevant for the Group's accounting periods beginning on or after 1 January 2023 and which the Group has not early adopted:

Description	Effective for annual periods beginning on or after
SFRS(I) 17: Insurance Contracts (including Amendments to SFRS(I) 17 issued in November 2020 and Amendment to SFRS(I) 17: Initial Application of SFRS(I) 17 and SFRS(I) 9—Comparative Information issued in December 2021*)	d 1 Jan 2023
Amendments to SFRS(I) 1-1 and SFRS(I) Practice Statement 2: Disclosure of Accounting Policies	1 Jan 2023
Amendments to SFRS(I) 1-8: Definition of Accounting Estimates	1 Jan 2023
Amendments to SFRS(I) 1-12: Deferred Tax related to Assets and Liabilities arising from a Single Transaction	1 Jan 2023
Amendments to SFRS(I) 1-1: Classification of Liabilities as Current or Non- current	1 Jan 2024
Amendments to SFRS(I) 16: Lease Liability in a Sale and Leaseback	1 Jan 2024
Amendments to SFRS(I) 1-1: Non-current Liabilities with Covenants	1 Jan 2024
Amendments to SFRS(I) 10 and SFRS(I) 1-28 Sale or Contribution of Assets between an Investor and its Associate or Joint Venture	To be determined

#### • Amendments to SFRS(I) 1-1 Presentation of Financial Statements:

Classification of Liabilities as Current or Non-current (effective for annual periods beginning on or after 1 January 2023)

The narrow-scope amendments to SFRS(I) 1-1 Presentation of Financial Statements clarify that liabilities are classified as either current or non-current, depending on the rights that exist at the end of the reporting period. Classification is unaffected by the expectations of the entity or events after the reporting date (e.g. the receipt of a waver or a breach of covenant). The amendments also clarify what SFRS(I) 1-1 means when it refers to the 'settlement' of a liability.

The amendments could affect the classification of liabilities, particularly for entities that previously considered management's intentions to determine classification and for some liabilities that can be converted into equity.

The Group does not expect any significant impact arising from applying these amendments.

### Amendments to SFRS(I) 1-12 Income Taxes:

Deferred Tax related to Assets and Liabilties arising from a Single Transaction (effective for annual periods beginning on or after 1 January 2023)

The amendments to SFRS(I) 1-12 Income Taxes require companies to recognise deferred tax on transactions that, on initial recognition, give rise to equal amounts of taxable and deductible temporary differences. They will typically apply to transactions such as leases of lessees and decommissioning obligations, and will require the recognition of additional deferred tax assets and liabilities.

For the financial year ended 31 December 2022

### 27 New or revised accounting standards and interpretations (continued)

Amendments to SFRS(I) 1-12 Income Taxes: (continued)

The amendment should be applied to transactions that occur on or after the beginning of the earliest comparative period presented. In addition, entities should recognise deferred tax assets (to the extent that it is probable that they can be utilised) and deferred tax liabilities at the beginning of the earliest comparative period for all deductible and taxable temporary differences associated with:

- right-of-use assets and lease liabilities, and
- decommissioning, restoration and similar liabilities, and the corresponding amounts recognised as part of the cost of the related assets.

The cumulative effect of recognising these adjustments is recognised in retained earnings, or another component of equity, as appropriate.

SFRS(1) 1-12 did not previously address how to account for the tax effects of onstatement of financial position leases and similar transactions and various approaches were considered acceptable. Some entities may have already accounted for such transactions consistent with the new requirements. These entities will not be affected by the amendments.

The Group does not expect any significant impact arising from applying these amendments.

#### 11. SHARE ISSUE MANDATE

(Resolution 10)

That pursuant to Section 161 of the Companies Act 1967 of Singapore (the "**Act**") and the listing rules of the SGX-ST, authority be and is hereby given to the Directors to:

- (a) (i) issue shares of the Company whether by way of rights issue, bonus issue or otherwise; and/or
  - (ii) make or grant offers, agreements or options (collectively, "Instruments") that might or would require shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) warrants, debentures or other instruments convertible into shares,
    - at any time and upon such terms and conditions and for such purposes and to such persons as the Directors may in their absolute discretion deem fit; and
- (b) (notwithstanding the authority conferred by this Resolution may have ceased to be in force) issue shares in pursuance of any Instrument made or granted by the Directors while this Resolution was in force,

#### provided that:

- (1) the aggregate number of shares to be issued pursuant to this Resolution (including shares to be issued in pursuance of Instruments made or granted pursuant to this Resolution) does not exceed 50% of the total number of issued shares (excluding treasury shares and subsidiary holdings) of the Company (as calculated in accordance with sub-paragraph (2) below), of which the aggregate number of shares to be issued other than on a *pro rata* basis to shareholders of the Company (including shares to be issued in pursuance of Instruments made or granted pursuant to this Resolution) does not exceed 20% of the total number of issued shares (excluding treasury shares and subsidiary holdings) of the Company (as calculated in accordance with sub-paragraph (2) below);
- (2) (subject to such manner of calculation as may be prescribed by the SGX-ST) for the purpose of determining the aggregate number of shares that may be issued under sub-paragraph (1) above, the percentage of issued shares shall be based on the total number of issued shares (excluding treasury shares and subsidiary holdings) of the Company at the time this Resolution is passed, after adjusting for:
  - (i) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards, which were issued and outstanding or subsisting at the time this Resolution is passed, provided that such share options or share awards were granted in compliance with Part VIII of Chapter 8 of the Listing Manual of the SGX-ST; and

(ii) any subsequent bonus issue, consolidation or subdivision of shares,

and, in paragraph (1) above and this paragraph (2), "subsidiary holdings" has the meaning given to it in the Listing Manual of the SGX-ST;

- (3) in exercising the authority conferred by this Resolution, the Company shall comply with the provisions of the Listing Manual of the SGX-ST for the time being in force (unless such compliance has been waived by the SGX-ST) and the Constitution of the Company for the time being in force; and
- (4) (unless revoked or varied by the Company in general meeting) the authority conferred by this Resolution shall continue in force until the conclusion of the next Annual General Meeting of the Company or the date by which the next Annual General Meeting of the Company is required by law to be held, whichever is the earlier.

[See Explanatory Note 6]

#### 12. RENEWAL OF SHARE PURCHASE MANDATE

(Resolution 11)

That:

- (a) for the purposes of the Act, the exercise by the Directors of all the powers of the Company to purchase or otherwise acquire the issued ordinary shares of the Company ("**Shares**") not exceeding in aggregate the Maximum Limit (as hereinafter defined), at such price(s) as may be determined by the Directors from time to time up to the Maximum Price (as hereinafter defined), whether by way of:
  - (i) market purchase(s), (each a "Market Purchase") on the SGX-ST; and/or
  - (ii) off-market purchase(s) (each an "Off-Market Purchase") (if effected otherwise than on the SGX-ST) in accordance with any equal access scheme(s) as may be determined or formulated by the Directors as they consider fit, which scheme(s) shall satisfy all the conditions prescribed by the Act,

and otherwise in accordance with all other laws and regulations, including but not limited to rules of the SGX-ST as may for the time being be applicable, be and is hereby authorised and approved generally and unconditionally (the "Share Purchase Mandate");

- (b) unless varied or revoked by the Company in general meeting, the authority conferred on the Directors pursuant to the Share Purchase Mandate may be exercised by the Directors at any time and from time to time during the period commencing on and from the date of the passing of this Resolution and expiring on the earliest of:
  - (i) the date on which the next Annual General Meeting of the Company is held or required by law to be held;
  - (ii) the date on which the authority conferred by the Share Purchase Mandate is revoked or varied; or

- (iii) the date on which purchases and acquisitions of Shares pursuant to the Share Purchase Mandate are carried out to the full extent mandated;
- (c) in this Resolution:

"Average Closing Price" means the average of the closing market prices of a Share over the last five (5) market days on which transactions in the Shares were recorded on the SGX-ST immediately preceding the date of the Market Purchase by the Company or, as the case may be, the date of the making of the offer (as defined below) pursuant to the Off-Market Purchase, and deemed to be adjusted, in accordance with the listing rules of the SGX-ST, for any corporate action that occurs during the relevant five-day period and the date of the Market Purchase by the Company; and

"date of the making of the offer" means the date on which the Company announces its intention to make an offer for the purchase or acquisition of Shares from Shareholders, stating therein the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase:

"Maximum Limit" means the number of issued Shares representing 10% of the total number of issued Shares as at the date of the passing of this Resolution (excluding any Shares which are held as treasury shares and subsidiary holdings (as defined in the Listing Manual of the SGX-ST) as at that date); and

"Maximum Price" in relation to a Share to be purchased or acquired, means the maximum price (excluding brokerage, commission, applicable goods and service tax, stamp duties, clearance fees and other related expenses) which shall not exceed:

- (i) in the case of a Market Purchase, 105% of the Average Closing Price of the Shares; and
- (ii) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120% of the Average Closing Price of the Shares; and
- (d) the Directors and/or any of them be and are hereby authorised to complete and do all such acts and things (including without limitation, executing all such documents as may be required) as they and/or he may consider expedient, necessary or in the interests of the Company to give effect to the transactions contemplated and/or authorised by this Resolution.

Mdm Xu Chun Hua will be considered independent for the purposes of Rule 704(8) of the Listing Manual of the SGX-ST. Please refer to the section entitled "Additional Information on Directors seeking Reelection" appended to this Notice for detailed information on Mdm Xu Chun Hua as required under Rule 720(6) of the Listing Manual of the SGX-ST. There are no relationships (including immediate family relationships) between Mdm Xu Chun Hua and the other Directors, the Company or its substantial shareholders.
- 3. **Resolution 5** Mr Koh Choon Kong will, upon re-election, remain as an Independent Director of the Company, and Chairman of the Audit Committee and a member of the Remuneration Committee, and will continue to be considered independent pursuant to Rule 210(5)(iv) of the Listing Manual of the SGX-ST despite having served as a Director of the Company for an aggregate period of more than 9 years (whether before or after listing). Mr Koh Choon Kong will be considered independent for the purposes of Rule 704(8) of the Listing Manual of the SGX-ST. Please refer to the section entitled "Additional Information on Directors seeking Re-election" appended to this Notice for detailed information on Mr Koh Choon Kong as required under Rule 720(6) of the Listing Manual of the SGX-ST. There are no relationships (including immediate family relationships) between Mr Koh Choon Kong and the other Directors, the Company or its substantial shareholders.
- 4. **Resolution 6** Mr Tong Yiping will, upon re-election, remain as an Executive Director and Chief Financial Officer of the Company. Please refer to the section entitled "Additional Information on Directors seeking Re-election" appended to this Notice for detailed information on Mr Tong Yiping as required under Rule 720(6) of the Listing Manual of the SGX-ST.
- 5. **Resolution 7** Mr Liang Cheng will, upon re-election, remain as an Independent Director of the Company. Please refer to the section entitled "Additional Information on Directors seeking Re-election" appended to this Notice for detailed information on Mr Liang Cheng as required under Rule 720(6) of the Listing Manual of the SGX-ST. There are no relationships (including immediate family relationships) between Mr Liang Cheng and the other Directors, the Company or its substantial shareholders.
- 6. **Resolution 10** Resolution 10, if passed, will empower the Directors to issue shares, make or grant instruments convertible into shares and to issue shares pursuant to such instruments. The number of shares which the Directors may issue under this Resolution will not exceed 50% of the issued shares (excluding treasury shares and subsidiary holdings) of the Company, with a sub-limit of 20% for issues other than on a *pro rata* basis. For the purpose of determining the aggregate number of shares which may be issued, the percentage of issued shares shall be based on the total number of issued shares (excluding treasury shares and subsidiary holdings) of the Company at the time that Resolution 10 is passed, after adjusting for (a) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards, which were issued and outstanding at the time this Resolution is passed, provided that such share options or share awards were granted in compliance with Part VIII of Chapter 8 of the Listing Manual of the SGX-ST; and (b) any subsequent bonus issue, consolidation or subdivision of shares. For the avoidance of doubt, shareholders' approval will be required for any consolidation or subdivision of shares.
- 7. **Resolution 11** Resolution 11, if passed, will renew the mandate to allow the Company to purchase or otherwise acquire its issued ordinary shares, on the terms and subject to the conditions set out in this Resolution.

The Company may use internal or external sources of funds to finance the purchase or acquisition of its ordinary shares. The amount of financing required for the Company to purchase or acquire its ordinary shares, and the impact on the Company's financial position, cannot be ascertained as at the date of this Notice as these will depend on the number of ordinary shares purchased or acquired and the price at which such ordinary shares were purchased or acquired and whether the ordinary shares purchased or acquired are held in treasury or cancelled.

The financial effects of the purchase or acquisition of such ordinary shares by the Company pursuant to the proposed Share Purchase Mandate on the unaudited financial statements of the Group and the Company for the financial year ended 31 December 2022, based on certain assumptions, are set out in paragraph 2.8 of the Letter to Shareholders dated 12 April 2023.

#### **NOTES:**

- The members of the Company are invited to attend physically at the AGM. There will be no option for Shareholders to participate virtually. Printed copies of this Notice and Proxy Form will not be sent to members. Instead, this Notice and Proxy Form will be sent to members by electronic means via publication on the Company's corporate website at the URL <a href="https://www.spx.com/securities/company-announcements">https://www.spx.com/securities/company-announcements</a>.
- 2. Members may ask questions relating to the business of the AGM at the Meeting, or submit questions via email to jennie@chinasunsine.com in advance of the AGM by 19 April 2023 (5.00 p.m.).

When submitting the questions, please provide the Company with the following details, for verification purposes:-

- (i) Full Name:
- (ii) NRIC/Passport Number;
- (iii) Current Address;
- (iv) Contact Number; and
- (v) Number of Shares Held

Please also indicate the manner in which you hold shares in the Company (e.g. via CDP, CPF or SRS).

The Company will endeavour to address the substantial and relevant questions prior to and/or at the AGM. The responses to questions from members will be posted on the SGX website at the URL <a href="https://www.sgx.com/securities/company-announcements">https://www.sgx.com/securities/company-announcements</a> and the Company's corporate website at the URL <a href="https://www.chinasunsine.com">https://www.chinasunsine.com</a> by 21 April 2023 (if submitted in advance by 19 April 2023), or if answered during the AGM, will be included in the minutes of the AGM and published on SGX website and Company's corporate website within one month from the date of the AGM.

Where substantially similar questions are received, the Company will consolidate such questions and consequently, not all questions will be individually addressed.

- 3. (a) A member who is not a relevant intermediary is entitled to appoint not more than two proxies to attend, speak and vote at the AGM. Where such member's proxy form appoints more than one proxy, the proportion of the shareholding concerned to be represented by each proxy shall be specified in the proxy form. If no proportion is specified, the Company shall be entitled to treat the first named proxy as representing the entire number of shares entered against his name in the Depository Register and any second named proxy as an alternate to the first named.
  - (b) A member who is a relevant intermediary is entitled to appoint more than two proxies to attend, speak and vote at the AGM, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such member. Where such member's proxy form appoints more than two proxies, the number and class of shares in relation to which each proxy has been appointed shall be specified in the proxy form.

"Relevant intermediary" has the meaning ascribed to it in Section 181 of the Companies Act 1967.

A member can appoint the Chairman of the Meeting as his/her/its proxy, but this is not mandatory.

Where a member (whether individual or corporate) appoints the Chairman of the Meeting as his/her/its proxy, he/ she/it must give specific instructions as to voting, or abstentions from voting, in respect of a resolution in the form of proxy, failing which the appointment of the Chairman of the Meeting as proxy for that resolution will be treated as invalid.

CPF or SRS investors who wish to appoint the Chairman of the Meeting as proxy should approach their respective CPF Agent Banks or SRS Operators to submit their votes by 5.00 p.m. on 17 April 2023.

- 4. A proxy need not be a member of the Company.
- 5. The instrument appointing a proxy or proxies must be submitted to the Company in the following manner:
  - (a) if submitted by post, be lodged with the Company at 16 Raffles Quay, #15-08 Hong Leong Building, Singapore 048581: or

(b) if submitted electronically, be submitted via email to the Company's Share Registrar at <a href="mailto:sg.tricorglobal.com">sg.tricorglobal.com</a>,

in either case, not less than 48 hours before the time appointed for the AGM.

A member who wishes to submit an instrument of proxy must first download, complete and sign the proxy form, before submitting it by post to the address provided above, or before scanning and sending it by email to the email address provided above.

6. The 2022 Annual Report and the Letter to Shareholders dated 12 April 2023 (in relation to the proposed renewal of the share purchase mandate) may be accessed at the Company's corporate website at the URL <a href="https://www.chinasunsine.com">https://www.chinasunsine.com</a>. The above-stated documents are also available for viewing and download on SGX's website at the URL <a href="https://www.sgx.com/securities/company-announcements">https://www.sgx.com/securities/company-announcements</a>. Printed copies of the 2022 Annual Report and Letter to Shareholders will not be sent to members. Members who wish to receive a printed copy of the 2022 Annual Report and related documents will need to download, complete and submit a Request Form to the Company by 19 April 2023. The Request Form may be accessed at the Company's website at the URL <a href="https://www.chinasunsine.com">https://www.chinasunsine.com</a>, and will also be made available on SGX's website at the URL <a href="https://www.sgx.com/securities/company-announcements">https://www.sgx.com/securities/company-announcements</a>.

#### **Personal Data Privacy:**

By submitting an instrument appointing a proxy(ies) and/or representative(s) to attend, speak and vote at the Annual General Meeting and/or any adjournment thereof, a member of the Company (i) consents to the collection, use and disclosure of the member's personal data by the Company (or its agents and service providers) for the purpose of the processing, administration and analysis by the Company (or its agents and service providers) of the appointment of the proxies and representatives appointed for the Annual General Meeting (including any adjournment thereof) and the preparation and compilation of the attendance lists, minutes and other documents relating to the Annual General Meeting (including any adjournment thereof), and in order for the Company (or its agents and service providers) to comply with any applicable laws, listing rules, take-over rules, regulations and/or guidelines (collectively, the "Purposes"), (ii) warrants that where the member discloses the personal data of the member's proxy(ies) and/or representative(s) to the Company (or its agents and service providers), the member has obtained the prior consent of such proxy(ies) and/or representative(s) for the collection, use and disclosure by the Company (or its agents and service providers) of the personal data of such proxy(ies) and/or representative(s) for the Purposes, and (iii) agrees that the member will indemnify the Company in respect of any penalties, liabilities, claims, demands, losses and damages as a result of the member's breach of warranty.

#### NOTICE OF RECORD DATE AND DIVIDEND PAYMENT DATE

NOTICE IS HEREBY GIVEN that the Share Transfer Books and Register of Members of the Company will be closed at 5.00 p.m. on 10 May 2023 (the "Record Date"), for the purpose of determining shareholders' entitlements to the final (one-tier tax exempt) dividend of 1.0 Singapore cent per ordinary share and a final (one-tier tax exempt) special dividend of 1.5 Singapore cents per ordinary share for the financial year ended 31 December 2022 (the "Proposed Final Dividend").

Duly completed registrable transfers in respect of the ordinary shares of the Company ("**Shares**") received by the Company's Share Registrar, Trico Barbinder Share Registration Services (a division of Tricor Singapore Pte. Ltd.) of 80 Robinson Road, #02-00, Singapore 068898, up to the Record Date will be registered to determine shareholders' entitlements to the Proposed Dividend. Shareholders whose Securities Accounts with The Central Depository (Pte) Limited are credited with Shares as at 5.00 p.m. on the Record Date will be entitled to the Proposed Final Dividend.

The Proposed Final Dividend, if approved by shareholders at the Annual General Meeting to be held on 27 April 2023, will be paid on 24 May 2023.
